Salinas, CA 93901

Board Report

File #: ORD 18-014, **Version:** 1

- a. Introduce, waive the reading, and set January 15, 2019 to consider adoption of an ordinance amending Section 12.28.010 of the Monterey County Code to prohibit parking at all times on the east side of State Highway 1 from the centerline of the Point Lobos State Park entrance northerly for a distance of 1800 feet and from the centerline of the Point Lobos State Park entrance southerly for a distance of 1800 feet, in the unincorporated area of Monterey County; and
- b. Introduce, waive the reading, and set January 15, 2019 to consider adoption of an ordinance amending sections 12.28.010 and 12.28.021 of the Monterey County Code to change the parking restriction on both sides of Rio Road from Carmel Rancho Boulevard easterly to its terminus in the unincorporated area of Monterey County, from no parking between 10:00 p.m. and 6:00 a.m. to no parking at any time.

RECOMMENDATION:

It is recommended that the Board of Supervisors:

- a. Introduce, waive the reading, and set January 15, 2019 to consider adoption of an ordinance amending Section 12.28.010 of the Monterey County Code to prohibit parking at all times on the east side of State Highway 1 from the centerline of the Point Lobos State Park entrance northerly for a distance of 1800 feet and from the centerline of the Point Lobos State Park entrance southerly for a distance of 1800 feet, in the unincorporated area of Monterey County; and
- b. Introduce, waive the reading, and set January 15, 2019 to consider adoption of an ordinance amending the sections 12.28.010 and 12.28.021 of the Monterey County Code to change the parking restriction on both sides of Rio Road from Carmel Rancho Boulevard easterly to its terminus in the unincorporated area of Monterey County, from no parking between 10:00 p.m. and 6:00 a.m. to no parking at any time.

SUMMARY/DISCUSSION:

The Resource Management Agency (RMA) and District 5 Board Office received multiple requests from local residents advocating the establishment of no parking at any time on the east side of State Highway 1, from a point 1800 feet north of the Point Lobos State Park entrance to a point 1800 feet south of the Point Lobos State Park entrance, a distance of 3600 feet. State park patrons often park along State Highway 1 and cross the highway to access the park creating unsafe conditions for drivers. This prohibited parking along State Highway 1 potentially stops unsafe pedestrian movement on the state highway at this location. If the first ordinance is adopted, the permanent “No Parking at Any Time” signs will be placed on the east side of State Highway 1, 100 feet apart from a point 1800 feet north of the Point Lobos State Park entrance to a point 1800 feet south of the Point Lobos State Park entrance. Per state law, this restriction will not become operative unless and until approved by the State Department of Transportation.

RMA has also received multiple requests from local residents advocating the establishment of “No Parking at Any Time” on both sides of Rio Road, from the centerline of Carmel Rancho Boulevard easterly to Rio Road’s terminus because of vehicles that park during daylight hours blocking the sight distance of driveways that cause unsafe turning movements, and to prevent the dumping of garbage from trucks that park during the day in this area. Currently, the area is signed for “No Parking from 10:00 p.m. to 6:00 a.m.”, pursuant to Monterey County Code section 12.28.021 (Ord. 4166). The second ordinance would convert the restriction to no parking at any

time, by removing this road from Monterey County Code section 12.28.021 and adding this section of road to section 12.28.010. No Parking at Any Time signs will replace the time limited signs of No Parking from 10:00 p.m. to 6:00 a.m. on both sides of Rio Road from Carmel Rancho Boulevard easterly to its terminus. The sign locations are shown in Attachment C.

Today's action sets a hearing on January 15, 2019 for the Board of Supervisors to consider adoption of these ordinances.

OTHER AGENCY INVOLVEMENT:

Caltrans must issue an encroachment permit in order for the State Highway 1 parking prohibition to go into effect. RMA is working with Caltrans to coordinate efforts to expedite the encroachment permit for State Highway 1. County Counsel has approved the ordinances as to legal form.

FINANCING:

Traffic control devices are funded by the Road Fund. The cost to install the necessary signing is estimated at \$800.00. Sufficient funds are available in the FY 2018-19 Adopted Budget for the Road Fund 002, Unit 8195, Appropriation Unit RMA0012 to finance this work.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:

The recommended action supports the Board of Supervisors' Strategic Initiative for Infrastructure and Public Safety, Meeting our Facilities, Water, Technology and Transportation Needs. The ordinance will allow for the installation of No Parking at Any Time signs that will improve the quality of life for County residents and support economic development results.

<u>X</u>	Economic Development
	Administration
	Health & Human Services
<u>X</u>	Infrastructure
<u>X</u>	Public Safety
