### RECOMMENDATION:

It is recommended that the Board of Supervisors:

a. Approve an ambulance services rate adjustment of 9.9% as shown on Amendment No. 9 to Agreement A116-10 between the County of Monterey and American Medical Response West for the provision of Advanced Life Support Ambulance Services for the County of Monterey.

b. Authorize the Director of Health, the Assistant Director of Health, or the Emergency Medical Services (EMS) Director to execute Amendment No. 9 to Agreement A-11610 between the County of Monterey and American Medical Response West for the provision of Advanced Life Support Ambulance Services for the County of Monterey.

### SUMMARY/DISCUSSION:

On December 15, 2009, the Board of Supervisors awarded the Agreement for the provision of Advanced Life Support Ambulance Services for the County of Monterey to American Medical Response West (AMR).

Pursuant to Section 17.2 of the County of Monterey and AMR Agreement (Agreement), AMR is entitled to an annual rate increase, based on the greater of:

1. Two percent (2%) divided by Monterey's average collection rate from the previous 12-month period for which figures are then available; or,
2. Percentage calculated from the following CPI Factors divided by the Monterey's average collection rate from the current year. Department of Labor, Bureau of Labor Statistics CPI as of the previous 12-month period for the published figure are then available for the San Francisco-Oakland-San Jose:
  - A. 85% of the Medical Care CPI
  - B. 2% of the Transportation CPI
  - C. 13% of All Items CPI

The language in Section 17.2 of the Agreement automatically entitles AMR to the greater of the two options for a rate increase. The calculation described in Option 1 result in a rate increase of 9.9%. The calculation described in Option 2 results in a rate increase of 19.8%. Because AMR is requesting a rate increase less than the amount of Option 2, contractually the Board of Supervisors should authorize the rate increase.
