SUMMARY/DISCUSSION:

The County currently maintains Agreement A-13917 with Davis Guest Home, Inc. which will expire on June 30, 2019. Davis Guest Home, Inc. operates several licensed Adult Residential Care Facilities. These facilities provide community-based activities that create a normalizing experience for adults with severe psychiatric disabilities and benefit persons determined to need the most help, particularly those recently discharged from psychiatric locked facilities.

The structured activities provided by Davis Guest Home, Inc. successfully assist the residents to reintegrate into the community. This new Agreement with Davis Guest Home continues past contract provisions allocating funds for up to 26 Monterey County residents. Approval of this Agreement meets the requirements of the State Welfare and Institutions Code 5600 (Bronzan-McCorquodale Act) and the California Code of Regulations Titles 9 and 22 and sustains the continuity of core services to seriously mentally ill clients of Monterey County.

This Agreement contains the County's standard 30-day "no cause" provision (Section IV, B) and an additional defunding provision (Section IV, D), which provides the County the ability to amend or terminate the Agreement in the event of a reduction and/or termination of funding.

This work supports the following Monterey County Health Department 2018-2022 strategic plan initiative: 3. Ensure access to culturally and linguistically appropriate, customer-friendly, quality health services. It also supports one of the ten essential public health services, specifically: 7. Link people to needed personal health services and assure the provisions of health care when otherwise unavailable.

OTHER AGENCY INVOLVEMENT:

County Counsel-Risk Management and Auditor-Controller have reviewed and approved this Agreement as to legal form and fiscal provisions respectively.

FINANCING:

This Agreement is funded by 1991 Realignment funding (75%), and by SAMHSA Block Grant funding (25%). The funds for this Agreement (\$1,103,636) are included in the Health Department's Behavioral Health (HEA012, Unit 8410) Fiscal Year 2019-20 Requested Budget.
