### SUMMARY/DISCUSSION:

New regulations began on June 1, 2019 which allow 1.3 million disabled and senior Californians that receive Supplemental Security Income (SSI/SSP) to become eligible for CalFresh. Enrolling these additional participants into CalFresh will take significant effort and additional funding has been made available through agreement CF-1920-32 from the California Department of Aging. This Agreement provides funding specifically for outreach to Monterey County's isolated seniors to assist them in applying for CalFresh benefits which provide money for food.

The Area Agency on Aging, administered through the Monterey County Department of Social Services, manages a variety of senior services through partnerships and subcontracts. Outreach to seniors is a natural part of this work and assistance with CalFresh applications is already being done. The funding through this State contract will be used to expand current contracted services.

### OTHER AGENCY INVOLVEMENT:

The Auditor-Controller and Purchasing have reviewed and approved this agreement. County Counsel has approved the agreement as to form. The County Administrator's Office - Budget Office concurs with these actions.

FINANCING:

The Department's recommendation is to increase appropriations and estimated revenues of \$37,309 for the Social Services - Area Agency on Aging's Budget Unit 001-5010-SOC010-8268 in the FY 2019-20 Adopted Budget. The increase in appropriations/revenues is based upon the new funding agreement received from California Department of Aging to provide outreach to Monterey County's isolated seniors to assist them in applying for CalFresh benefits which provide money for food. There is no change to the existing General Fund Contributions in this budget unit.
