SUMMARY/DISCUSSION:

Press Ganey Associates is an industry leader in the measurement of patient satisfaction and hospital transformation. The Press Ganey products below will provide Natividad with an integrated solution that aligns patient, staff, and physicians with several products that will help Natividad improve patient experience, safety, quality, and workforce engagement.

- **Patient Experience / Satisfaction Survey:** This ongoing survey will provide real-time feedback with benchmarked information so leaders can better understand and prioritize opportunities to improve the delivery of patient-centered care which will enhance Natividad's HCAHPS scores and publicly reported data.
- **iRounding:** This tool allows leaders to interview patients while they are in the hospital to assess their level of satisfaction with caregiver communication, responsiveness, education, medications, discharge planning, cleanliness, and noise. This tool will allow Natividad to mitigate needs and concerns in a timely fashion. iRounding improves patient experience, customer loyalty, and HCAHPS scores.
- **Employee Engagement Survey:** This annual survey of employee experience allows leaders to identify and remedy barriers that prevent our workforce from being aligned with hospital goals. An engaged workforce positively impacts the safety, quality, and experience of care.
- **Culture of Safety Survey:** This is important to measure factors that can lead to adverse events and patient harm in the hospital. The survey will raise staff awareness about patient safety, provide an overview of the current patient safety culture, and allow trending of safety initiatives and interventions.
- **Resilience Survey:** This will be utilized for physicians and staff to determine levels of stress and burnout that can affect not only the person but also the delivery of quality care.
- **NDNQI (National Database of Nursing Quality Indicators):** This is a national database that combines nursing quality indicators, patient experience, and nursing engagement to provide nurse leaders with comprehensive data to improve care quality, prevent adverse events, and deliver patient-centered care.

The two agreements contain non-standard confidentiality, data ownership, warranty, indemnification, insurance, limitations on liability, and limitations on damages provisions.

OTHER AGENCY INVOLVEMENT:

County Counsel has reviewed this agreement as to legal form, and the Auditor-Controller has reviewed and approved as to payment provisions. The agreement has also been reviewed and approved by NMC's Finance Committee on April 25, 2019, and by its Board of Trustees on May 3, 2019.

FINANCING:

The aggregate cost for the two agreements is \$422,994, of which \$20,000 is included in the Fiscal Year 2019-20 Adopted Budget. Amounts for remaining years of the agreement will be included in those budgets as appropriate.
