### RECOMMENDATION:

It is recommended that the Board of Supervisors:

- a. Approve the recommendation of the Director of Health or Assistant Director of Health to accept the modifications to the Business automobile liability insurance provisions for the Student Placement Agreement (Agreement) with Grand Canyon University (GCU) for the placement of students within the Health Department to complete internship/externship assignments as part of their respective field education and service learning requirements for Fiscal Years (FYs) 2019-2020 through FYs 2020-2021; and
- b. Authorize the Director of Health or Assistant Director of Health to execute the Student Placement Agreement with GCU, with a retroactive effective date of November 1, 2019.

### SUMMARY/DISCUSSION:

The Health Department has the ability to provide a learning environment for students who require practical field experience education, while also increasing potential to attract future job candidates to the Health Department workforce.

This Agreement with GCU is based on the Board-approved Student Placement Agreement template that was approved by the Board on May 10, 2016 and provides the County of Monterey with standards of policy, procedures, and best practices for student placement. Although the Health Department is requesting insurance modifications to this Agreement with GCU, it continues to be the goal of the Health Department to use the template pre-approved by the Monterey County Board of Supervisors' for each participating university and/or college to help streamline administrative processing and reduce the timeline for execution.

The effective date of the Agreement is November 01, 2019 but no students will be placed until the Agreement is fully executed. This Agreement contains "without cause" termination provision, which allows either party to cancel the Agreement with a thirty (30) day notice.

While this work is not directly in support of a Health Department strategic initiative, it is in support of one or more of the ten essential public health services, specifically: 4. Mobilize community partnerships and action to identify and solve health problems; and 8. Assure competent public and personal health care workforce.

### OTHER AGENCY INVOLVEMENT:

The office of County Counsel has reviewed and approved this Student Placement Agreement as to legal form.

**FINANCING:**

There are no fiscal provisions included in this Agreement.
