### SUMMARY/DISCUSSION:

Monterey County Health Department Agreement with the Bright Beginnings Early Childhood Development Initiative (fiscally sponsored by F5MC) will provide funding for the following: School Readiness Assessment, Family Friendly Business Strategic Planning, and Capacity Building for Trauma-Informed Practices. The collaborative work of the Bright Beginnings Initiative is guided by the countywide early childhood development strategic framework, "Together, Preparing Every Child for Life and School," which after the launch of the framework, has already reinforced a shift in how we approach our work. The Projects are multidisciplinary and cross-agency and designed around the holistic wellbeing of a child. During FY 2020-2021, the primary objectives of the strategic framework are to universally double the proportion of children ready for Kindergarten, from 25% to 50% of children, and specifically to decrease the gap in Kindergarten readiness between children of low-income and children of non-low-income families, by 2025. The approval of this Agreement will enable Bright Beginnings Early Childhood Development Initiative (fiscally sponsored by F5MC) to continue to support a system of care so that young children are ready for life and school, with their holistic needs for wellbeing are met. The start date of this Agreement is retroactive to July 1, 2020 due to the length of time it took to negotiate with the vendor the additional scope of work activities needed for this Agreement.

This work supports the MCHD 2018-2022 Strategic Plan Goal: 1. Empower the community to improve health; Goal 2. Enhance public health and safety through prevention; and Goal 3. Ensure access to culturally and linguistically appropriate, customer-friendly, quality health services. Additionally, this work supports three of the ten essential public health services: inform, educate, and empower people about health issues; link people to needed personal health services and assure the provision of health care when otherwise unavailable; and assure competent public and personal health care workforce.

OTHER AGENCY INVOLVEMENT:

County Counsel-Risk Management and the Auditor-Controller have reviewed and approved this Agreement as to legal form and fiscal provisions respectively.

FINANCING:

This Agreement is 100% funded by General Fund cannabis dollars. Appropriations for FY 2020-21 in the amount of \$350,000 are included in the Health Department's (HEA003-8124) FY 2020-21 Adopted Budget.
