Probation recommends the approval of the Agreement with Community Human Services (CHS), for a total not to exceed amount of \$135,700, to provide family counseling and treatment and substance abuse prevention services for youth under Juvenile Justice Crime Prevention Act (JJCPA) programs.

DISCUSSION:

CHS was allocated JJCPA funding in the amount of \$135,700, for fiscal year 2021 - 2022 to provide family counseling and treatment, and substance abuse prevention services for youth at the Silver Star Resource Center (SSRC). Drug and Alcohol Intervention Services for Youth (DAISY) managed by CHS, provides intervention and education services for substance abusing youth ages 13-18 who are referred by parents, schools, Social Services, Monterey County Behavioral Health, and Probation. The demand for DAISY services has increased as substance abuse continues to be a major factor negatively impacting familial, social, legal, academic and health outcomes of youth. DAISY offers youth and families evidence-based best practices, to addresses youth substance use and abuse and provide the tools and support needed to commit to change and achieve their goals.

OTHER AGENCY INVOLVEMENT:

The Agreement has been approved by the Office of County Counsel-Risk Management as to legal form and risk provisions, and by the Auditor-Controller as to fiscal terms.

FINANCING:

Funds associated with this recommendation are allocated by the State for Juvenile Justice Crime Prevention Act (JJCPA) programs. Funding for all JJCPA programs has been authorized in the current state budget and is included in Probation's Recommended Budget Unit 8162 for FY 2021-22. There is no cost to the County General Fund associated with this recommendation.
