SUMMARY/DISCUSSION:

This request supports the use of Blue Strike Environmental (Blue Strike) for garbage pick-up and services for WeatherTech Raceway Laguna Seca (WRLS). The use of Blue Strike's service is vital to the overall success of events held at WRLS.

Amendment No. 1 amends the original Agreement dated June 26, 2019 to add food waste services to WRLS when any type of cooking is done onsite. In addition, should Blue Strike require storage space to accommodate items relating to the service they provide to Laguna Seca Recreation Area and WeatherTech Raceway Laguna Seca, County shall provide space for a 10' x 20' storage connex. All costs associated for the storage connex itself will be at Blue Strike's expense.

Exhibit B 'Pricing' has been deleted in its entirety and replaced with Exhibit B-1 containing an updated WRLS event schedule and pricing details. There are no additional costs to the County associated with this Amendment No. 1.

OTHER AGENCY INVOLVEMENT:

The Office of County Counsel has approved Amendment No. 1 as to form.

FINANCING:

The contract with Blue Strike Environmental is funded through Fund 453 Laguna Seca Budget Unit 8536. Funding for the Agreement is included in the FY 2020-2021 Approved Budget and the FY 2021-2022 Recommended Budget. Approval of the recommended action will have no additional impact on the County General Fund.
