SUMMARY/DISCUSSION:

DHCS administers the Medi-Cal program, under which health care services are provided to qualified low-income persons. Inpatient and outpatient hospital services are a covered benefit under the Medi-Cal program, subject to utilization controls. Existing law provides for Medi-Cal payments to hospitals.

An IGT is an elective transfer of eligible local dollars to the State DHCS in support of the Medi-Cal program, which is authorized in accordance with Section 14164 and other provisions of the Welfare and Institutions Code that are typically program specific. If the State accepts the transfer, the State shall obtain Federal Financial Participation (“FFP”) to the full extent permitted by federal law.

In the past, NMC has voluntarily provided IGTs to DHCS in support of the Medi-Cal managed care program as authorized pursuant to Section 14301.4 of the Welfare and Institutions Code. The local fund transfers are effectuated pursuant to an IGT agreement (and an IGT fee assessment agreement if applicable) between the State DHCS and the participating public provider/entity. The opportunity to participate in providing such voluntary IGTs allows for the use of local dollars to make increased payments from plans available to public providers such as NMC to preserve and strengthen the availability and quality of services provided by such providers. In Monterey County, the Monterey-Santa Cruz-Merced Managed Medical Care Commission d/b/a Central California Alliance for Health (“CCAH”) is the local County Organized Health System, which has an existing agreement with NMC to provide clinical and other medical care services covered by Medi-Cal to enrollees of the Plan. NMC also provides services to Medi-Cal managed care enrollees of the Fresno-Kings-Madera Regional Health Authority d/b/a CalViva Health (“CalViva”). NMC participated in the voluntary Rate Range IGT program for the 2018-19 and 2019-2020 rate periods.

In order to participate in the voluntary Rate Range IGT program relating to the Medi-Cal managed care capitation rates for the period of January 1, 2021, to December 31, 2021, State DHCS has requested the execution of an IGT Agreement for the amount of IGTs based on relevant enrollment figures, and includes a 20% assessment fee applicable to non-exempt funds as determined by State DHCS. DHCS will perform periodic reconciliations using actual enrollment figures, including actual member months per rate category. The reconciliations can result in increased or decreased IGT amounts from NMC, and, correspondingly, the available amounts of rate range payments will vary. The enrollment figures will be considered final two years after December 31, 2021. The IGT Agreement estimated due date is December 24, 2021. The transfers are

expected to occur in the second and third quarters of calendar year 2021.

Additionally, amendments to the current Health Plan-Provider Agreement between NMC and CCAH, as well as execution of a Health Plan-Provider Agreement between NMC and CalViva, will be necessary to provide for the negotiated payment increases for services rendered during the period of January 1, 2021, to December 31, 2021. The negotiated payment with CCAH is no less than 76.77% of the available rate increases specific to Medi-Cal Plan enrollees in Monterey County, less an amount retained by CCAH for its administrative costs, and the negotiated payment with CalViva is no less than the total rate increases specific to Medi-Cal Plan enrollees made available as a result of County's IGTs, less an amount retained by CalViva for its administrative costs. As described above, the total amount that is actually available will vary.

The Board could opt not to participate, in which case NMC and the County would be precluded from participating in the IGT program for the period of January 1, 2021, to December 31, 2021.

OTHER AGENCY INVOLVMENT:

County Counsel has reviewed and approved the IGT Agreement as to legal form. The Auditor-Controller has reviewed and approved the Agreement as to fiscal provisions. The IGT Agreement and the Health Plan-Provider Amendment and Agreement were reviewed and approved by the NMC Finance Committee and the Board of Trustees on November 12, 2021.

FINANCING:

The expected IGT transfer will be financed by NMC. There is no impact to the General Fund.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:

The opportunity to participate in an IGT allows for the use of local dollars to obtain the federal matching in payments designed for public providers such as NMC and preserve and strengthen the safety net services in Monterey County.
