RECOMMENDATION:

It is recommended that the Board of Supervisors:

- a. Approve and authorize the Contracts/Purchasing Officer or Contracts Purchasing Supervisor to sign Amendment No. 3 to the Agreement between the California Department of Corrections and Rehabilitation and the County of Monterey Probation Department to increase the allocation of State funding to the County in the amount of \$362,200 for a total amount of \$1,375,650, and extend the term an additional year to June 30, 2024 to continue to provide reimbursement for services to adult parolees participating in the Day Reporting Center operated by GEO Reentry Services, LLC; and
- b. Approve and authorize the Contracts/Purchasing Officer or Contracts Purchasing Supervisor to execute Amendment No. 3 to the Agreement with the State, and any related documents or amendments.

SUMMARY:

The Probation Department is recommending approval of Amendment No. 3 to the Agreement with CDCR for participation of parolees to services provided by the DRC in FY2023-24. The DRC provides access to rehabilitative services for both adult offenders under Probation supervision and parolees under State supervision residing in Monterey County.

DISCUSSION:

The DRC was implemented in 2009, under a federal grant; Probation is currently utilizing funding from Public Safety Realignment Act funds to continue services to eligible adult offenders under its supervision. The Day Reporting Center offers an evidence-based model with a variety of programs, including counseling, treatment, life skill classes, and employment services to eligible participants. The center is open seven days a week and has an expanded capacity of up to 100 clients per day.

Probation has collaborated with GEO Reentry Services, LLC since 2009 in the operation of the Day Reporting Center, which provides treatment and supervision services for adult offenders in a one-stop setting. GEO Reentry Services, LLC was awarded the contract for the DRC following County competitive process under RFP 10760.

CDCR has been partnering with the County to provide these services to parolees who are residing in Monterey County after their State incarceration. These services fill a critical gap in the post-custody transition of adult

offenders and provide needed rehabilitative services.

The increase in allocation to this collaboration will allow for the County to continue to optimize the DRC service capacity and extend rehabilitative services to resident parolees in Monterey County, who, with the implementation of Public Safety Realignment, now serve a sentence for technical violation in County Jail instead of State prison.

OTHER AGENCY INVOLVEMENT:

The Office of the County Counsel-Risk Management and the Auditor-Controller have reviewed and approved this Amendment to the Agreement as to legal form, insurance requirements and fiscal provisions.

FINANCING:

The State will allocate \$362,200 for the period July 1, 2023 to June 30, 2024, for an aggregate total of \$1,375,650 in funding as a reimbursement to Probation for services provided to parolees through a subcontract with GEO Reentry Services, LLC, for the term July 1, 2023 - June 30, 2024. These amounts are calculated on the basis of 30 parolee clients, at a daily reimbursement of \$35 per client, for an estimated 345 days per fiscal year; reimbursement is provided on actual attendance, not to exceed the contract allocated amount. Funding is included in Probation's Budget Unit 001-8165 in the recommended budget for FY2023-24.

There is no anticipated increase in County General Fund Contribution with the current recommended action.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:

This recommendation supports the Board of Supervisor Strategic Initiatives of a) Economic Development by providing employment opportunities and helping to reduce poverty in the adult offender population; and b) Public Safety by encouraging self-sustainability to aid in crime prevention and successful reintegration into the community.
