### SUMMARY/DISCUSSION:

The Workforce Innovation and Opportunity Act (WIOA) of 2014 mandated the identification of planning and service delivery regions comprised of local workforce development areas, and in 2020, the California Workforce Development Board (CWDB) designated the local workforce development boards (WDBs) of Santa Cruz, Monterey, and San Benito counties as the “North Central Coast Regional Planning Unit,” one of the 15 regional planning units within California. WIOA requires that regional planning units develop a regional plan, regional service delivery strategies, and regional administrative cost arrangements among its local areas.

MCWDB was designated by the CWDB as the fiscal agent for the North Central Coast Regional Planning Unit with the authority and obligation to administer regional grant coordination. The MCWDB’s Regional Equity and Recovery Partnerships (RERP) initiative is funded through a \$1,150,000 State grant to support regional workforce development boards and community college partnerships and is intended to provide employment training for a variety of occupations.

If approved to be signed by the Chair, the \$189,000 RERP agreement with the Hartnell and Monterey Peninsula community college districts will cover the costs of occupational training, at \$4,500 per participant, for the period between March 7, 2023 and October 31, 2025. The MCWDB approved the agreement at its meeting on

March 23, 2023.

MCWDB will also retain a total of \$70,500 for staff travel, regional meetings, and the services of the Regional Organizer.

In addition, MCWDB will provide funding through a third RERP agreement for an amount not to exceed \$80,000 to cover administration costs for the Cabrillo, Gavilan, Hartnell and Monterey Peninsula community college districts during the grant period.
