SUMMARY/DISCUSSION:

The Workforce Innovation and Opportunity Act (WIOA) of 2014 mandated the identification of planning and service delivery regions comprised of local workforce development areas, and in 2020, the California Workforce Development Board (CWDB) designated the local workforce development boards (WDBs) of Santa Cruz, Monterey, and San Benito counties as the “North Central Coast Regional Planning Unit,” one of the 15 regional planning units within California. WIOA requires that regional planning units develop a regional plan, regional service delivery strategies, and regional administrative cost arrangements among its local areas.

MCWDB was designated by the CWDB as the fiscal agent for the North Central Coast Regional Planning Unit with the authority and obligation to administer regional grant coordination. The MCWDB’s Regional Equity and Recovery Partnerships (RERP) initiative is funded through a \$1,150,000 State grant to support regional workforce development boards and community college partnerships and is intended to provide employment training for a variety of occupations.

If approved to be signed by the Chair, the \$999,500 RERP Agreement with the regional WDBs will cover case management, training, supportive services, certifications, and administration for the period between March 7,

2023 and October 31, 2025. The Agreement was approved by MCWDB at its meeting of March 23, 2023.

As part of a separate agreement, MCWDB will provide an additional \$80,000 for training administration services, at \$20,000 each, to the four community colleges in the region: Cabrillo, Gavilan, Hartnell, and Monterey Peninsula community colleges. MCWDB will also retain a total of \$70,500 for staff travel, regional meetings, and the services of the Regional Organizer.

MCWDB will additionally provide funding through a third RERP agreement for an amount not to exceed \$189,000, at \$4,500 per participant, to cover occupational training costs at Hartnell and Monterey Peninsula community colleges during the grant period.
