SUMMARY:

Parents as Teachers (PAT) is a family education and therapy program for parents and their children. The program was founded on the belief that parents serve as a child's first and most influential teachers, and that effective parenting during a child's early years builds a lasting foundation for success. Door to Hope is distinguished as a Blue Ribbon Affiliate of PAT, a high achievement.

DISCUSSION:

This agreement provides ongoing interactive California Clearinghouse parent education services to families in need of, or at-risk for child protective services intervention. These families fall within one of the following three categories:

1. Parents involved with prevention and early intervention services, including the County's differential response program, currently known as the Pathways to Safety program,
2. Parents who are not eligible for CalWORKs PAT services.
3. Parents who are receiving Court Mandated or Voluntary Family Maintenance Services, and
4. Parents who receive Court Mandated or Voluntary Family Reunification Services.

OTHER AGENCY INVOLVEMENT/COMMITTEE ACTIONS:

The Office of County Counsel has reviewed and approved the Agreements as to form, as has the Auditor-Controller's Office as to financial provisions.
