If the parties fail to reach a mutually agreeable amendment within thirty (30) days of such negotiation period, this Agreement shall terminate at the end of such thirty (30) day period.
- 6.11 Third Parties. This Agreement is not intended and shall not be construed to create any rights for any third party.
- 6.12 Exhibits. All Exhibits referred to herein are hereby incorporated herein. In the event that any provision of this Agreement conflicts with any Exhibit to this Agreement, the Exhibit shall control with respect to the subject matter of such Exhibit.
- 6.13 Counterparts. This Agreement may be executed in any number or counterparts, each of which shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument.

## **EXHIBIT A**

### **Scope of Services**

A. County of Monterey Health Department operates the Medical Therapy Conference and serves as the focal point for the coordination of all California Children's Services (CCS) physical and occupational therapy and medically related services for physically handicapped children eligible for CCS located in Monterey County, California.

B. The Medical Therapy Conference (MTC) physician is the team leader and makes the final determination of the child's MTC plan of care. The physician shall work with the family and other team members to develop a coordinated treatment plan based on the child's comprehensive medical information and current physical and functional status consistent with CCS guidelines.

C. The physician provides dispute resolution and oversight for the prescriptions from private physicians. The physician's goal is to assure that the Medical Therapy Plan provides the child with appropriate medical intervention to allow the child the opportunity to reach maximum physical function. MTC physician services will be provided in Monterey County.

D. COUNTY desires to retain a person or firm to provide the following service: Pediatric physician services as set forth in this Agreement. In doing so, PHYSICIAN, shall support the CCS MTC purpose of providing qualified and competent physician to render the aforesaid services.

## EXHIBIT B

### COUNTY INSURANCE

COUNTY, at its sole cost and expense, shall insure its activities in connection with this Agreement, and obtain, keep in force and maintain insurance as follows:

1.

**Professional Liability Insurance Benefit.** In addition to the general liability coverage that Monterey County carries on each and every *Physician*, the *County* shall, at its own cost and expense, obtain and maintain in force during the term hereof a professional liability insurance policy or policies, in amounts to be determined by *County* covering only those medical services and administrative services rendered by the *Physician* within the course and scope of his/her/their *services* hereunder. Such insurance coverage shall include any self-insured by *County*. *County* may change deductibles, modify any self-insured retention, and/or adopt any other insurance arrangement as *County* deems appropriate within its sole discretion, so long as *County* maintains the minimum liability insurance coverage for the medical and administrative services rendered by the *Physician* that is required by the Hospital Medical Staff Bylaws, as currently amended.

1. The County maintains “claims made” professional liability insurance coverage. As a condition of *services*, *Physician* shall be required from time to time to complete all insurance forms and supply other information deemed necessary or appropriate by *County* or by any insurer who provides or may provide coverage to *County*.

2. **“Continuous Coverage.”** Because *County* has procured professional liability insurance covering *Physician* on a "claims made" basis, *County* shall hereafter at its sole cost and expense obtain and maintain "Continuous Coverage" that provides professional liability coverage to the *Physician* after this agreement expires or terminates for occurrences during *services*. The Continuous Coverage shall be in such amounts as *County* deems appropriate for medical services and administrative services rendered by the *Physician* within the course and scope of his/her/their *services* hereunder. If the current underlying insurance agreement between *County* and its insurance carrier expires or terminates, the Continuous Coverage will expire or terminate, and Extended Reporting Period coverage or Prior Acts coverage shall be obtained and maintained at *County*’s sole cost and expense.

3. **Investigation of Professional Liability Claims.** To the extent that (1) a professional liability insurance policy or policies is/are provided pursuant to this Paragraph V.B.3, and/or (2) the *Physician* was acting within the course and scope of his/her/their duties under this Agreement at the time of the alleged act or omission, the insurer and/or *County* shall have the complete authority to process and administer any investigation and/or defense of any claims brought either (1) under the professional liability insurance policy, or any claim within the retained limits of such policy, or (2) based on the *County-Physician* relationship, on behalf

of or for the benefit of *Physician*. Such authority shall include, without limiting the foregoing, authority to appoint an agent to process and administer the investigation and/or defense of (i) all claims within the limits of such professional liability policy, and (ii) all claims within the retained limits of such professional liability policy. The applicable provisions of the Governmental Tort Claims Act, Government Code §810, *et seq.*, shall govern the *County's* duty to defend and indemnify the *Physician*. *Physician* shall have a duty to cooperate fully with *County* and/or the insurer in any and all such matters, without additional compensation, in the prosecution and/or defense of any threatened or initiated legal proceeding, claim, investigation, or hearing of any nature whatsoever with respect to which the *County's* and/or *Physician's* liability is at issue or the *County* is/may be entitled to indemnification hereunder. Such duty shall survive the termination of this Agreement for any incident(s) occurring, either all or in part, within the term of this Agreement.

COUNTY, upon execution of this Agreement, shall furnish PHYSICIAN, with Certificates of Insurance evidencing compliance with all requirements. Certificates shall further provide for thirty (30) days' advance written notice to PHYSICIAN, of any modification, change or cancellation of any of the above insurance coverages.
