Date: 11/7/2024	Submitted By: Supervisor Luis Alejo	District #: 1
Referral Title: SHARE Center Mental Health Services and MOU Modifications		
Referral Purpose: The purpose of this referral is to establish on-site mental health services for the children and families staying at the SHARE Center and to also modify the MOU with the City of Salinas to require advanced notice, input and agreement by the Board of Supervisors when there is a proposed change of the operator of the SHARE Center. The MOU should also be modified to require providing annual reporting to the Board of Supervisor on the amount of individual families served and the number of those placed in permanent housing.		
Brief Referral Description: Bay Area Community Services (BACS) was the prior operator of the SHARE Center and they conveyed upon exiting that there was a need for on-site behavioral health and mental health for children and adults staying there, many who have experience trauma in their lives and would benefit from on-site services. BACS' departure also demonstrated a need to amend our existing MOU with the City of Salinas to provide greater notice, input and agreement by the Board of Supervisors early on rather when a decision has already been made by City of Salinas and County staff. When the MOU was initially drafted it had not anticipated choosing a successor operator and the language is insufficient to ensure greater Board of Supervisors input and participation. There is also a need to have greater transparency with the Board of Supervisors on the numbers of individual and families being served at the SHARE Center and those who have successfully transitioned into permanent housing. An annual written report and/or through presentation would inform the County Supervisors on progress being achieved at the SHARE Center.
