

# TODAY'S ACTION

Consider recommending that the Board of Directors approve Amendment No. 1 to the Agreement for Services with Don Chapin Company for a dollar amount increase of \$5,000, not to exceed \$131,000 for the repair of a damaged section of culvert at the Blanco drainage ditch.

# Prior Action

- BOD approved an agreement with Don Chapin Co. in the amount of \$126,000 in October 2024 for repair of the Blanco Drain culvert.

# Discussion

- The Blanco Drain culvert and overlying road were damaged during the winter storms of 2023.
- Agency and contractor assessed the damaged culvert and developed a repair plan.
  - Replacement of 20 feet of culvert
  - Relining of 40 feet
- During the repair it was determined that relining would not be effective, and the entire culvert would need to be replaced.

# Discussion

# Discussion

- Culvert replacement was complete in November 2024.
- Culvert replacement exceeded the agreement amount by \$4,080.52.
- Seeking an amendment to pay for the additional costs associated with full culvert replacement.
