RECOMMENDATION:

It is recommended that the Budget Committee receive and support a recommendation to:

SUMMARY/DISCUSSION:

The Tobacco Grant Program award provides financial support for the Office of the District Attorney (DA) to conduct undercover investigations into businesses selling flavored tobacco products. Undercover buys will be conducted both in Monterey County retail facilities and via online sales. The DA's Office has seen that misdemeanor cases for the sale of tobacco products to minors are often diverted in the Courts. For example, one retailer had multiple misdemeanor citations against individual store clerks as well as complaints from parents in the community, yet disjointed misdemeanor prosecutions against individual salesclerks failed to stop the business practice of selling to minors. Therefore, the DA plans to focus on civil prosecutions pursuant to the Unfair Competition Law, which provides for civil penalties and injunctive relief for unlawful business acts and practices.

OTHER AGENCY INVOLVEMENT:

The County Administrative Office has reviewed this report and supports it approval.

FINANCING:

This additional revenue will decrease department funding requirements from the General Fund by approximately \$145,565 for FY 2024-25, and subsequently incorporate an additional \$145,565 in the upcoming budget preparation cycle for FY 2025-26.
