Pajaro, California 95076
Attn: Program Manager

AGREEMENT CONTAINING COVENANTS AFFECTING HOUSING

(Kents Court)

THIS AGREEMENT ("Agreement Containing Covenants") is entered into as of March 15, 2005, by and between SOUTH COUNTY HOUSING CORPORATION, a California nonprofit corporation (the "Developer"), and THE REDEVELOPMENT AGENCY OF THE COUNTY OF MONTEREY, CALIFORNIA, a public body, corporate and politic ("Agency").

WHEREAS, Agency is the owner of fee title to that certain real property (the "Site") located in the County of Monterey more particularly described in Exhibit A attached hereto and incorporated herein by this reference; and

WHEREAS, Agency and Developer have entered into a Lease of the Site (the "Lease") for the purposes of developing affordable housing for persons and households of Low- and Very Low-Income, with a priority for households who have been or will be temporarily displaced because of actions by the Agency, Developer and/or the County of Monterey, as more specifically described in that Disposition and Development Agreement (the "DDA") between the Agency and the Developer relating to the Site, dated March 15, 2005; and

WHEREAS, the DDA contemplates the development of the temporary affordable housing through the acquisition of manufactured housing units which may be installed (and subsequently removed) from the Site (the "Housing Units"); and

WHEREAS, the DDA contains certain provisions relating to the use of the Site both before and after completion of such development, with respect to which the parties have agreed to execute and record this Agreement Containing Covenants;

NOW, THEREFORE, AGENCY AND DEVELOPER COVENANT AND AGREE AS FOLLOWS:

1. The Developer covenants and agrees (for itself, its successors, its assigns, and every successor in interest to the Site or any part thereof) that for the term of the Lease, the

Developer, such successors, and such assigns shall devote the Site (or any part thereof), to the uses specified therefor in the DDA, the plans approved pursuant to the DDA, and devote the Housing Units to the restrictions contained in this Agreement Containing Covenants attached to the DDA as Exhibit G, (collectively, the "Restrictions") and incorporated herein by this reference. That is, the Housing Units installed on the Site as part of the DDA, and wherever such Housing Units may be subsequently located, shall be used to provide affordable rental units for Low- and Very Low Income households, pursuant to the Community Redevelopment Law (Health & Safety Code §§ 33000, et seq.).

2. Developer further covenants and agrees that the Restrictions shall apply to the Housing Units acquired as part of the DDA for a period of fifty-five (55) years, whether or not such units are removed from the Site.

3. Developer covenants and agrees for itself, its successors, its assigns and every successor in interest to the Site or any part thereof, that for so long as required by the DDA, the Site shall be maintained and managed in accordance with written Operating Agreement (the "Operating Agreement"), attached to the DDA as Exhibit H. Any change in the Plan shall require the approval of the Agency or Agency designee.

4. For purposes of the Restrictions, a Low Income household is one whose household income does not exceed eighty percent (80%) of the area median income, adjusted for family size, as such figure is published from time to time by the United States Department of Housing and Urban Development ("HUD"), and a Very Low Income household is one whose household income does not exceed fifty percent (50%) of the area median income, adjusted for family size, as such figure is published from time to time by HUD. The applicable income limits as of March 15, 2005, are set forth in Exhibit B, attached hereto and incorporated herein by this reference. Upon request of the Developer, the Agency shall provide to Developer the current income limits, as published by HUD, and such revised income limits shall be deemed to replace Exhibit B.

5. Developer shall submit to Agency an annual report (the "Annual Housing Report") required by Health and Safety Code Section 33418. The Annual Housing Report shall include for each unit the rental rate and the income and household size of the occupants. The income information shall be supplied by the tenant in a certified statement on a form provided by Agency. Developer shall submit the Annual Housing Report on or before the end of the first calendar quarter of the year following the year covered by the Annual Housing Report. Developer shall provide for the submission of such information in its leases with tenants of the Housing Units.

6. Developer covenants and agrees for itself, its successors, its assigns and every successor in interest to the Site or any part thereof, that there shall be no unlawful discrimination against or segregation of any person, or group of persons, on account of race, color, religious creed, national origin, ancestry, physical disability (including HIV and AIDS - acquired or perceived), medical condition (including cancer), age, marital status, sex, sexual orientation or preference, or retaliation for having filed a discrimination complaint, in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the Site or Housing Unit acquired pursuant to the DDA, nor shall the Developer itself, or any person claiming under or through it, establish or permit any such practice or practices of discrimination or segregation with reference to the

selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees or vendees of the Site or Housing Unit.

7. The Developer shall refrain from restricting the sale, lease, sublease, rental, transfer, use, occupancy, tenure, or enjoyment of the Site (or any part thereof) or Housing Unit on the basis of race, color, religious creed, national origin, ancestry, physical disability (including HIV and AIDS - acquired or perceived), medical condition (including cancer), age, marital status, sex, sexual orientation or preference, or in retaliation for having filed a discrimination complaint. All such deeds, leases or contracts pertaining thereto shall contain or be subject to substantially the following nondiscrimination or nonsegregation clauses:

(a) "The grantee herein covenants by and for himself/herself, his/her heirs, executors, administrators and assigns, and all persons claiming under or through him/her, that there shall be no discrimination against or segregation of, any person or group of persons on account of race, color, religious creed, national origin, ancestry, physical disability (including HIV and AIDS - acquired or perceived), medical condition (including cancer), age, marital status, sex, sexual orientation or preference, or retaliation for having filed a discrimination complaint in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the land herein conveyed, nor shall the grantee himself/herself or any person claiming under or through him/her, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees or vendees in the land herein conveyed. The foregoing covenants shall run with the land."

(b) In leases: "The lessee herein covenants by and for itself, its successors and assigns, and all persons claiming under or through them, and this lease is made and accepted upon and subject to the following conditions: That there shall be no discrimination against or segregation of any person or group of persons, on account of race, color, religious creed, national origin, ancestry, physical disability (including HIV and AIDS - acquired or perceived), medical condition (including cancer), age, marital status, sex, sexual orientation or preference, or retaliation for having filed a discrimination complaint, in the leasing, subleasing, renting, transferring, use, occupancy, tenure or enjoyment of the land herein leased, nor shall lessee itself, or any person claiming under or through it, establish or permit such practice or practices of discrimination or segregation with reference to the selection, location, number, or occupancy of tenants, lessees, sublessees, tenants or vendees in the land herein leased."

(c) In contracts: "There shall be no discrimination against or segregation of, any person or group of persons on account of race, color, religious creed, national origin, ancestry, physical disability (including HIV and AIDS - acquired or perceived), medical condition (including cancer), age, marital status, sex, sexual orientation or preference, or retaliation for having filed a discrimination complaint, in the sale, lease, sublease, rental, transfer, use, occupancy, tenure or enjoyment of the land, nor shall the transferee itself or any person claiming under or through it, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees or vendees of the land and/or manufactured housing unit."

8. In amplification and not in restriction of the provisions set forth hereinabove, it is intended and agreed that Agency shall be deemed a beneficiary of the covenants and agreements

provided hereinabove both for and in its own right and also for the purposes of protecting the interests of the community. All covenants without regard to technical classification or designation shall be binding for the benefit of Agency, and such covenants shall run in favor of Agency for the entire period during which such covenants shall be in force and effect, without regard to whether Agency is or remains an owner of any land or interest therein to which such covenants relate. Agency shall have the right, in the event of any breach of any such covenant or agreement, to exercise all the rights and remedies, and to maintain any actions at law or suits in equity or other proper proceedings to enforce the curing of such breach of covenant or agreement.

9. No violation or breach of the covenants, conditions, restrictions, provisions or limitations contained in this Agreement Containing Covenants shall defeat or render invalid or in any way impair the lien or charge of any mortgage or deed of trust or security interest permitted by the DDA, provided, however, that any subsequent owner of the Housing Units shall be bound by such remaining covenants, conditions, restrictions, limitations, and provisions, whether such owner's title was acquired by foreclosure, deed in lieu of foreclosure, trustee's sale or otherwise.

10. Only the Agency, its successors and assigns, and Developer and the successors and assigns of Developer in and to all or any part of the title to the Housing Units shall have the right to consent and mutually agree to changes in, or to eliminate in whole or in part, any of the covenants, easements, or other restrictions contained in this Agreement Containing Covenants, or to subject the Site and/or Housing Units acquired pursuant to the DDA to additional covenants, easements or other restrictions. Agency, its successors and assigns, and Developer and the successors and assigns of Developer in and to all or any part of the title to the Site shall have the right to consent and mutually agree to changes in, or to eliminate in whole or in part, any of the covenants, easements, or restrictions contained in this Agreement Containing Covenants or to subject the Site to additional covenants, easements, or other restrictions without the consent of any tenant, lessee, easement holder, licensee, mortgagee, trustee, beneficiary under a deed of trust, or any other person or entity having any interest less than a fee in the Site.

11. The covenants established in this Agreement Containing Covenants, shall, without regard to technical classification and designation, be binding on the Developer and any successor in interest to the Housing Units or any part thereof for the benefit and in favor of the Agency, its successors and assigns. Except as set forth below, the covenants contained in this Agreement shall affect only the Housing Units and shall remain in effect for not less than fifty-five (55) years from the date of this Agreement Containing Covenants. The covenants against discrimination (as described in Paragraphs 6 and 7) shall remain in perpetuity.

IN WITNESS WHEREOF, the Agency and the Developer have executed this Agreement

Containing Covenants.
