[PLN250321 CHOUINARD JOSEPH L & LEON CARMEN E TRS, 24576 Portola Road, Carmel (Assessor's Parcel Number 009-093-002-000), Carmel Area Land Use Plan, Coastal Zone]

The CHOUINARD JOSEPH L & LEON CARMEN E TRS application (PLN250321) came on for a public hearing before the County of Monterey Zoning Administrator on February 26, 2026. Having considered all the written and documentary evidence, the administrative record, the staff report, oral testimony, and other evidence presented the Zoning Administrator finds and decides as follows:

FINDINGS

1. FINDING: CONSISTENCY – The Project, as conditioned, is consistent with the applicable plans and policies which designate this area as appropriate for development.

- EVIDENCE:**
- a) During the course of review of this application, the project has been reviewed for consistency with the text, policies, and regulations in:
 - the 1982 County of Monterey General Plan (General Plan);
 - Carmel Area Land Use Plan (CAR LUP);
 - Carmel Area Coastal Implementation Plan (CAR CIP);
 - Monterey County Code Chapter 7.120; and
 - Monterey County Coastal Zoning Ordinance (Title 20).

No conflicts were found to exist. No communications were received during the course of review of the project indicating any inconsistencies with the text, policies, and regulations in these documents.

- b) Project. The project is located at 245716 Portola Road, a County maintained road, in Carmel and the site is developed with an existing 1,711 square foot single-family dwelling containing three bedrooms,

two and a half bathrooms, and a kitchen. The applicant proposed transient use of the residence prior to the County adopting regulations for vacation rentals in the Coastal Zone.

- c) Allowed Use. The parcel is zoned Medium Density Residential with a maximum Density of 2 units per acre and a Design Control overlay in the Coastal Zone or “MDR/2-D(CZ)”. Title 20 Section 20.12.050.DD allows for the Commercial Vacation Rental use, subject to the granting of a Coastal Development Permit. Title 20 Section 20.64.290.F establishes the regulations for a property operating as a Commercial Vacation Rental on such property for transient lodging for a period of 30 calendar days or fewer. Therefore, the proposed use is allowable.
- d) Lot Legality. The subject property, APN: 009-093-002-000, is identified as Lot 15, as shown in its current size and configuration and described in the 1972 Assessor’s Map Book 9, Page 9. Therefore, the County recognizes the property as a legal lot of record.
- e) Land Use Advisory Committee (LUAC). This project was not referred to the Carmel Highlands LUAC for review. Based on the current review guidelines adopted by the Monterey County Board of Supervisors per Resolution No. 15-043, this application did not warrant referral to the LUAC as it does not fall within the LUAC review guidelines.
- f) Vacation Rental Operation License. Condition No. 7 requires that the applicant obtain a Vacation Rental Operation License and provide documentation to prove that they comply with all of the requirements of the Vacation Rental Operation License pursuant to Title 7 Chapter 7.120. The subject property is required as conditioned to ensure that they always have an active Vacation Rental Operation License.
- g) Business License. Condition No. 6 requires that the applicant obtain a Business License and provide documentation to prove that they comply with all of the requirements of the Business License pursuant to Title 7 Section 7.02.060. The subject property is required as conditioned to ensure that they always have an active Business License.
- h) Transient Occupancy Tax. Condition No. 8 requires that the applicant register with the County of Monterey Treasurer-Tax Collector to pay Transient Occupancy Tax pursuant to Title 5 Chapter 5.40 and must pay Transient Occupancy Tax on all applicable rent received from transient occupancy of their residence as a Commercial Vacation Rental. The subject property is required as conditioned to ensure payment of Transient Occupancy Tax to the County of Monterey Treasurer-Tax Collector is made pursuant to Title 5 Chapter 5.40.
- i) Adequate Emergency Response Time. Condition No. 5 requires that the applicants notify the guests of the average response time for emergency fire and medical services and the address and phone number of those services. The property complies with Title 20 Section 20.64.290.F.5 in that it has been demonstrated that the response time for County emergency services for fire and emergency medical services is adequate. Adequate is defined as 5-8 minutes within Community Areas, Community Plans, and Sphere of Influence, 12 minutes within Rural centers, and 45 minutes for all other areas. The subject property falls within the Sphere of Influence for the City of Carmel-By-The-Sea; therefore, it is subject to the 5-8 minute response time for County

emergency services. Cypress Fire Protection District is 8 minutes away, and the Community Hospital of the Monterey Peninsula is 5 minutes away, which provides 24-hour emergency medical and fire response services for structural coverage. The subject property complies with the requirement to provide contact information for County emergency services for fire and emergency medical. The designated Property Manager for the Commercial Vacation Rental, Coast Estate, resides at 400 Camino Aguajito, Monterey, CA 93940, approximately 7 minutes away (3.6-mile drive) from the subject property. The contact information is included as required in the informational signage that must be posted within six feet of the front door, pursuant to Title 7 Section 7.120.040.L.

- j) Parking. Parking requirements outlined in Title 20 Sections 20.64.290.F.6 and 20.58.040 require that a Single-Family Detached residential dwelling unit have 2 spaces/unit, which this application complies with as illustrated in the attached plans.
- k) One Commercial Vacation Rental Per Legal Lot of Record. The subject legal lot of record complies with Title 20 Section 20.64.290.F.7, as this is the only Commercial Vacation Rental on the legal lot of record (APN: 009-093-002-000).
- l) Ownership Interest in One Commercial Vacation Rental in the Unincorporated Monterey County. The trustees of the legal lot of record comply with Title 20 Section 20.64.290.F.8 and do not have any ownership interest in any other Commercial Vacation Rentals in the unincorporated Monterey County. This application, before the Zoning Administrator, would be the first and only ownership interest the applicants would have in a Commercial Vacation Rental in the unincorporated Monterey County.
- m) Permit Expiration. Condition No. 4 applies a 7-year expiration to the granting of this Coastal Development Permit, pursuant to Title 20 Sub-Section 20.64.290.F.12.a. The purpose of this expiration is to provide adequate ongoing review of the approved use of the residence as a Commercial Vacation Rental. Prior to its expiration, the owner/applicant shall file an extension in accordance with Title 20 Section 20.70.110, which requires submittal of the request at least 30 days prior to the expiration date. The appropriate authority to consider this extension shall be the Zoning Administrator. This subsequent review will ensure: 1) the use continues to meet the standards of Title 20, and 2) an opportunity for Planning staff's review for ongoing compliance with the conditions of approval.
- n) Access. The property is accessed through Portola Road, a County maintained, public road, and therefore is not subject to Title 16 Chapter 16.80, which regulates private roads in Monterey County pursuant to Title 20 Section 20.64.290.F.4. The road accessing the subject property is not subject to a private road agreement or a private road maintenance. No comments or objections have been received, and no further documentation or conditions are required of the applicant.
- o) The application, project plans, and related support materials submitted by the project applicant to Monterey County HCD-Planning found in Project File PLN250321.

2. **FINDING:** **SITE SUITABILITY** – The site is physically suitable for the proposed development and/or use.
- EVIDENCE:** a) The project has been reviewed for site suitability by the following departments and agencies: HCD-Planning. County staff reviewed the application materials and plans to verify that the project on the subject site conforms to the applicable plans and regulations, and there has been no indication from these departments/agencies that the site is not suitable for the development. Conditions recommended have been incorporated.
- b) The application, project plans, and related support materials submitted by the project applicant to Monterey County HCD-Planning found in Project File PLN250321.
3. **FINDING:** **HEALTH AND SAFETY** – The establishment, maintenance, or operation of the project applied for will not, under the circumstances of this particular case, be detrimental to the health, safety, peace, morals, comfort, and general welfare of persons residing or working in the neighborhood of such proposed use, or be detrimental or injurious to property and improvements in the neighborhood or to the general welfare of the County.
- EVIDENCE:** a) The project was reviewed by HCD-Planning. The respective agencies have recommended conditions, where appropriate, to ensure that the project will not have an adverse effect on the health, safety, and welfare of persons either residing or working in the neighborhood.
- b) Necessary infrastructure is in place to serve the use, as discussed in the evidence below.
- c) The property has road access from Portola Road, a public road. No alterations to this driveway or access are required for the use (see evidence “n” in Finding 1).
- d) California American Water currently provides potable water service to the subject property and the existing connection will be retained for the proposed use. Sewer service will be provided by Carmel Area Wastewater District.
- e) Solid waste (garbage) collection service is and will continue to be provided by Waste Management.
- f) The application, project plans, and related support materials submitted by the project applicant to Monterey County HCD-Planning found in Project File PLN250321.
4. **FINDING:** **VIOLATIONS** – The subject property is not in compliance with all rules and regulations pertaining to zoning uses, subdivision, and any other applicable provisions of the County’s zoning ordinance. No violations exist on the property.
- EVIDENCE:** a) Staff reviewed County of Monterey HCD-Planning and HCD-Building Services records and is aware of one current violation existing on the subject property for a commercial vacation rental violation existing on subject property. Code Enforcement Case No. 22CE00333 cites the property for unpermitted short term rental usage. On September 1, 2022, an HCD-Code Compliance case was opened, and a file was created

stating that the property may possibly be in violation with Monterey County Code through the operation of a non-permitted vacation rental and that immediate action shall be taken to bring the property into compliance. The applicant submitted a request for a Coastal Development Permit for an after-the-fact Commercial Vacation Rental to allow the use of a residential property for transient lodging for a period of 30 calendar days or fewer and abate Code Enforcement Violation No. 22CE00333 to bring their property into compliance with the Monterey County Code on November 17, 2025. No additional complaints have been received.

- b) The violation (22CE00333) will be abated upon granting of this Coastal Development Permit. Upon issuance of the permit, this property will come into compliance with applicable Monterey County Code.
- c) The application, project plans, and related support materials submitted by the project applicant to Monterey County HCD-Planning found in Project File PLN250321.

- 5. FINDING:** **CEQA (Exempt)** – The project qualifies for a Class 1 categorical exemption pursuant to CEQA Guidelines section 15301 and no unusual circumstances were identified to exist for the proposed project.
- EVIDENCE:**
- a) California Environmental Quality Act (CEQA) Guidelines section 15301, categorically exempts the leasing of existing private structures, involving negligible or no expansion of existing or former use.
 - b) The project proposed to allow the use of an existing residence for transient lodging for a period of 30 calendar days or fewer. The project would not expand the residence, nor would it allow any additional occupancy beyond what is allowed for the existing residence. Therefore, the project fits the criteria of the exemption.
 - c) None of the exceptions under CEQA Guidelines section 15300.2 apply to this project, as discussed in subsequent Evidence “d” through “i”.
 - d) Class 1 exemptions are not qualified for an exception by their location.
 - e) The County’s regulatory process of Coastal Development Permits for the use of an existing residential property for transient lodging allows the County to regulate such uses in a way that would prevent adverse cumulative impacts to the surrounding environment. Consistent with the Findings and Purpose in Monterey County Ordinance Number 5439 Section 1.F, the requirement for a Coastal Development Permit for Commercial Vacation Rental activities ensures that the impact of such leasing activities can be appropriately evaluated. Further, Title 20 Section 20.64.290 establishes caps on the maximum amount of Coastal Development Permits for Commercial Vacation Rentals to ensure that the potential cumulative effects of Commercial Vacation Rentals are minimized. This Commercial Vacation Rental does not exceed the 218 Commercial Vacation Rental cap in the Carmel Area Land Use Plan as it would be the 2nd Commercial Vacation Rental in this area. The project is consistent with all the criteria in Title 20 Section 20.64.290 and, therefore, would not contribute to a cumulative effect.
 - f) There are no unusual circumstances related to the project that would create a reasonable possibility of a significant effect.
 - g) The project would not result in damage to scenic resources within view of the State Scenic Highway. The nearest designated State Scenic

Highway is Highway 1, which is approximately 0.30 miles east of the property. However, the property is not visible from Highway 1 due to distance and intervening vegetation and structures. The project also does not propose any physical changes that would damage scenic resources: no construction, exterior alterations to structures, land alteration, or vegetation (or tree) removal are proposed.

- h) The project is not located on a hazardous waste site included on any list compiled pursuant to Section 65962.5 of the Government code.
- i) The project would not damage any historical resources.
- j) The FEIR disclosed that vacation rentals have the potential for negative side effects including nuisance issues such as traffic, parking and noise. County regulations have been developed and are in effect to ensure that vacation rentals remain compatible with existing residential uses and limits such nuisances in which the applicant/operator must comply with. Additionally, cumulative impacts of the regulations taken together with other past, present, and probable future projects were analyzed. There is no evidence suggesting that implementing the regulations would result in significant or unavoidable environmental impacts.
- k) The application, project plans, and related support materials submitted by the project applicant to Monterey County HCD-Planning found in Project File PLN250321.

6. FINDING: **PUBLIC ACCESS-** The project is in conformance with the public access and recreation policies of the Coastal Act (specifically Chapter 3 of the Coastal Act of 1976, commencing with Section 30200 of the Public Resources Code) and applicable Local Coastal Program, and does not interfere with any form of historic public use or trust rights.

- EVIDENCE:**
- a) No public access is required as part of the project as no substantial adverse impact on access, either individually or cumulatively, as described in Section 20.146.130 of the Monterey County Coastal Implementation Plan can be demonstrated.
 - b) No evidence or documentation has been submitted or found showing the existence of historic public use or trust rights over this property.
 - c) The subject property is not described as an area where the Local Coastal Program requires visual or physical public access (Carmel Area, Figure 3, Local Coastal Program Public Access).
 - d) The application, project plans, and related support materials submitted by the project applicant to Monterey County HCD-Planning found in Project File PLN250321.

7. FINDING: **APPEALABILITY** – The decision on this project may be appealed to the Board of Supervisors and California Coastal Commission.

- EVIDENCE:**
- a) Board of Supervisors. Pursuant to Title 20 Section 20.86.030.A, an appeal of the Zoning Administrator’s decision for this project may be made to the Board of Supervisors by any public agency or person aggrieved by their decision.
 - b) Coastal Commission. Pursuant to Title 20 section 20.86.080.A, the project is subject to appeal by/to the California Coastal Commission because it involves development that is permitted in the underlying zone as a conditional use.

DECISION

NOW, THEREFORE, based on the above findings and evidence, the Zoning Administrator does hereby:

- 1) Find that the project, allowing the use of an existing residence for transient lodging, qualifies for a Class 1 Categorical Exemption pursuant to CEQA Guidelines Section 15301, and no exceptions under section 15300.2 apply; and
- 2) Approve a Coastal Development Permit for a Commercial Vacation Rental to allow the use of residential property for transient lodging for a period of 30 calendar days or fewer to clear Code Enforcement Case 22CE00333.

The said decision is to be in substantial conformance with the attached plan and subject to the attached conditions, which are incorporated herein for reference.

Mike Novo, AICP
Zoning Administrator
