

October 30th, 2024

Dear Board of Directors,

I'm interested in joining our local water district board because I've lived in San Ardo my whole life and care deeply about our community. I want to help ensure we have safe and reliable water. I can bring a fresh perspective and strong commitment to this role. Giving back to the place I call home is important to me, and serving on the board feels like a meaningful way to do that.

Thank you for considering my application. I've included my resume for your review. I look forward to the possibility of discussing my potential contributions to the Board of Directors with you.

Sincerely,

A handwritten signature in black ink that reads "Nayeli Camacho". The signature is written in a cursive, flowing style.

Nayeli Camacho

NAYELI CAMACHO
