

Side Letter Agreement
between the County of Monterey and
the Monterey County Sheriff Management Association (MCSMA) Unit C
Regarding *Longevity Pay*

The County of Monterey underwent a Longevity Pay audit by CalPERS in 2025. The results of this audit indicated that the requirement of a longevity pay eligibility form did not adhere to CalPERS and PERL requirements and deemed the longevity pay non-persable. However, the intent of the Longevity Pay when negotiated by the County and the Union was that Longevity pay would be persable.

It is understood that the County will remove the requirement of the Longevity Pay Certification Form retroactively to July 1, 2024, consistent with the effective date of the longevity pay stipend for this bargaining unit and that such longevity pay will be initiated by the County once eligibility has been met and confirmed with no further action from the employee.

As such, the County and MCSMA agree to modify the Memorandum of Understanding language for terms 2021-2024 and 2024-2027 as follows to correct the issue and ensure Longevity Pay is persable:

Memorandum of Understanding term 2021-2024 modifications

ARTICLE 7 SPECIAL PAYS

7.4 Longevity Pay

Unit members who have completed twenty (20) years of County service shall receive premium pay of six percent (6%) of their base wage.
