

Who We Are...

The Eden Council for Hope and Opportunity (ECHO Housing) is a publicly supported, non-profit housing counseling organization established in 1965 to provide housing counseling and dispute resolution services to low and moderate income renters of Monterey County.

ECHO is committed to promoting equal housing opportunities and preventing homelessness.

Fair Housing Services

ECHO's Fair Housing Services provides counseling to renters and housing providers regarding fair housing issues. ECHO Housing conducts investigations and enforcement in response to reports of housing discrimination for renters in Monterey County.

Tenant/Property Owner Services

ECHO's Tenant/Property Owner Services provides counseling and dispute resolution, as needed, to renters and housing providers in Monterey County on their rental housing rights and responsibilities such as evictions, habitability issues, illegal entry and harassment.

Community Education

ECHO Housing provides fair housing and tenant/property owner education and training for service providers, renters, housing providers, and other members of the housing industry (managers, owners, realtors, etc.) in Monterey County. ECHO also provides Home Buyer Education and Pre-Purchase Counseling sessions to residents of Monterey County.
