

MEMORANDUM OF UNDERSTANDING

between

THE MONTEREY COUNTY WATER RESOURCES AGENCY

and

THE SALINAS VALLEY BASIN GROUNDWATER SUSTAINABILITY AGENCY

regarding

TECHNICAL AND PROFESSIONAL ASSISTANCE TO THE SALINAS VALLEY
BASIN GROUNDWATER SUSTAINABILITY AGENCY FOR THE DEVELOPMENT
OF A GROUNDWATER SUSTAINABILITY PLAN

WHEREAS, The Monterey County Water Resources Agency (Agency) is a flood control and water agency established in 1990 by special act of the state legislature codified at Water Code Appendix Chapter 52, and is the successor to the Monterey County Flood Control and Water Conservation District established in 1947, also by special act of the state legislature; and

WHEREAS, the Salinas Valley Basin Groundwater Sustainability Agency (SVBGSA) is an agency formed through a Joint Exercise of Powers Agreement to implement within the Salinas Valley Groundwater Basin (“Basin”) the provisions of the “Sustainable Groundwater Management Act” (SGMA); and

WHEREAS, SGMA requires that for all basins designated as high- or medium-priority and subject to conditions of “critical overdraft”, a Groundwater Sustainability Plan (GSP) be developed and implemented by January 31, 2020; and

WHEREAS, the Basin includes two sub-basins that are high priority and in critical overdraft condition, requiring a GSP by January 31, 2020, all other sub-basins will require GSPs no later than January 31, 2022; and

WHEREAS, the SVBGSA is currently contemplating different structures for the preparation of one or more GSPs for the Basin, to be developed and submitted to the California Department of Water Resources no later than January 31, 2020; and

WHEREAS, it is the SVBGSA’s obligation to cause the development and implementation of the GSP; and

WHEREAS, the SVBGSA is lacking in the technical expertise and background information to appropriately develop and implement the GSP; and

WHEREAS, it will be necessary for the SVBGSA to contract with a consultant (“GSP Consultant”), and receive other technical support to develop and implement the GSPs; and

WHEREAS, the Agency possesses the necessary technical expertise and background information to assist the SVBGSA and its GSP Consultant in preparation of the GSPs; and,

WHEREAS, the Agency is prepared to assist the SVBGSA and its GSP Consultant in its obligation to develop and implement the GSP; and

WHEREAS, because the Agency and the SVBGSA are separate and distinct public entities, it is necessary and appropriate for the Agency and the SVBGSA to enter into this Memorandum of Understanding (MOU) whereby the responsibilities of each with respect to the development and implementation of the GSPs are set forth, and the compensation to be paid to the Agency for its services is agreed upon; NOW THEREFORE,

For good and valuable consideration, the sufficiency of which is hereby acknowledged, the Agency and the SVBGSA agree as follows:

1. Effective Date and Term.

This MOU will be effective as of the date last signed by either of the parties, and unless earlier terminated as provided in this MOU, shall remain in effect until the approval of the GSPs by the California Department of Water Resources. This MOU may be amended from time-to-time by mutual written agreement of the parties.

2. Obligations of the Parties

A. SVBGSA

i. The SVBGSA will contract with the GSP Consultant to perform the development and implementation of the GSPs, and, except as may be specifically agreed to herein or otherwise in writing by the parties, the SVBGSA will be solely responsible for all costs and expenses associated with the development, approval, and implementation of the GSPs.

ii. The SVBGSA shall designate an officer or employee who shall oversee the Agency’s performance of its obligations under the MOU (the “GSA Representative”). The SVBGSA shall notify the Agency of the GSA Representative so designated, and may change such designation from time-to-time upon written notice to the Agency.

B. Agency

i. The Agency shall provide to the SVBGSA those services and duties as described under this MOU and in Attachments A and B, as follows: Non-specific technical and professional assistance to be provided by the Agency to the SVBGSA on an as-needed basis.

ii. The Agency shall assign an officer or employee to undertake the Agency's obligations pursuant to this MOU, who shall be designated the WRA Representative. The SVBGSA must approve the assignment in writing, which approval shall not be unreasonably withheld. The Agency may change the designation from time-to-time with the SVBGSA's written approval, which approval shall not be unreasonably withheld. In the performance of duties under this MOU, the WRA Representative shall communicate and receive direction from the GSA Representative with respect to all aspects of the Agency's performance of duties hereunder.

iii. Except as specifically provided herein, this MOU does not address Agency implementation of specific elements of the GSPs as may be adopted by the SVBGSA.

3. Compensation.

The parties anticipate that the WRA Representative shall be an employee in the hydrologist or engineer class at the Agency. It is agreed by the parties that services may be provided pursuant to this MOU by others than the WRA Representative, but that such services shall also be rendered by Agency employees in the hydrologist or engineer class. The SVBGSA shall pay the Agency, as compensation for the services provided pursuant to this MOU, according to the rate schedule attached as Attachment B. The rate schedule in Attachment B may be amended annually by the Agency upon approval by the SVBGSA, which approval shall not be unreasonably withheld.

The parties anticipate that the initial budget for the Agency shall not exceed approximately One Hundred and Twenty-Five Thousand Dollars (\$125,000) per fiscal year for the term of the contract; however, all services shall be billed to the SVBGSA on a time and materials basis as set forth in Attachment B. This amount will be prorated based on the date of execution of this MOU for the remainder of the current Fiscal Year (FY2018), if appropriate. The parties shall revise the budget and amend this MOU as necessary to reflect additional fees and expenses required for services. Proposed increases must be approved by the SVBGSA before any increase charges or expenditures are incurred.

The Agency shall endeavor to provide services pursuant to this MOU in the most cost-effective and efficient manner.

Travel authorized by the SVBGSA will be reimbursed as follows: transportation at actual fare for economy or coach class, to be pre-approved by the SVBGSA; vehicular travel, meals and lodging not to exceed the rates established by the County of Monterey's per diem unless authorized in advance. The SVBGSA will pay for the Agency's travel time if travel is required beyond the boundaries of the County of Monterey.

4. Claims and Payment

Not later than ten working days after the last day of each month, the Agency shall submit to the SVBGSA a claim, on a form or in a format approved by the SVBGSA, setting forth in detail the time and expense items incurred by the Agency during the previous month, for which payment is sought, and setting forth such other information pertinent to the claim as the SVBGSA may require. The fees charged shall be calculated correctly, contain no charges previously billed, and be consistent with the approved hourly fee schedule set forth in Attachment B, as amended from time to time pursuant to Section 3. The following information shall be set forth accurately in or attached to the billing invoice:

A. Staffing level, hourly rate, and detailed time and activity descriptions for each employee including but not limited to time spent with respect to conferences, correspondence, telephone calls, meetings, research, project review; and

B. Invoices supporting all outside costs and expenses.

The GSA Representative shall certify the Agency's claim within fifteen working days, either in the requested amount or in such other amount as the GSA Representative approves in conformity with this MOU. The GSA Representative shall promptly submit such certified claim for payment, and the SVBGSA shall thereafter pay the balance of the certified claim not later than 30 calendar days after receipt of the certified claim.

If for any claim the SVBGSA certifies a lesser amount than the amount requested, and if the Agency desires to dispute the amount so certified, the Agency must submit a written notice of protest to the SVBGSA within 20 working days after the Agency's receipt of the certification. The parties shall then promptly meet to review the dispute and resolve it on a mutually acceptable basis. No court action may be taken on such dispute until the parties have met and attempted to resolve the dispute in person.

5. Termination

A. By the Agency

The Agency may terminate this agreement at any time for any reason subject to the following:

i. The Agency shall provide written notice to the SVBGSA of its intent to terminate this agreement. Within fourteen days of receipt of such notice (as set forth in Section D, below), the parties shall meet and confer in good faith to determine the reason for the termination, and attempt to resolve the reasons for termination set forth by the Agency.

ii. If the issues cannot be resolved by mutual agreement, the Agency may

terminate this agreement upon giving thirty (30) calendar days written notice to the SVBGSA following the meet and confer obligation set forth above.

iii. Upon such termination the Agency shall continue to provide such services as the SVBGSA may require until such time as the SVBGSA is able to identify another person or entity to render the necessary services. The SVBGSA shall not unreasonably delay in identifying such substitute person or entity, or in providing written notice that it will not require such substitute person or entity.

iv. The SVBGSA shall pay to the Agency all sums due and owing for services performed through the effective date of the termination, subject to all other provisions of this MOU. The effective date of termination is the termination date either as agreed to by the parties or set forth in the Agency's notice of termination set forth in paragraph 5.A.ii, above, as may be extended by mutual agreement of the parties, or as required by the provisions of this paragraph 5.A.

B. By the SVBGSA

The SVBGSA may terminate this MOU at any time for its convenience and without cause upon giving thirty (30) calendar days written notice to the Agency. The SVBGSA shall pay to the Agency all sums due and owing for services performed through the effective date of the termination, subject to all other provisions of this MOU. The effective date of termination is the termination date contained in SVBGSA's notice of termination.

7. General Provisions

A. No Assignment.

C. Non-disclosure of Information
