

Signature Page: Partners Sharing Infrastructure Costs When Proportionate Share Data Is Available

MOU Content Requirement:

The State is in the process of implementing the requisite statewide data tracking system, and once such data are available, all non-co-located partners who are receiving benefit from the AJCCs will also be required to contribute their proportionate share towards infrastructure costs. Consequently, the MOU must include an assurance from all non-co-located partners that they agree to pay their proportionate share of infrastructure costs as soon as sufficient data are available.

By signing below, all parties agree that when data are available to determine the AJCC benefit to non-co-located partners, the infrastructure cost sharing agreement will be renegotiated to include their proportionate share of contributions.
