**The CEGLAR JUSTIN & SARAH TRS application (PLN240091) came on for a public hearing before the County of Monterey Zoning Administrator on February 26, 2026. Having considered all the written and documentary evidence, the administrative record, the staff report, oral testimony, and other evidence presented, the Zoning Administrator finds and decides as follows:**

### **FINDINGS**

1. **FINDING:** **CONSISTENCY** – The Project, as conditioned, is consistent with the applicable plans and policies which designate this area as appropriate for development.  
**EVIDENCE:** a) During the course of review of this application, the project has been reviewed for consistency with the text, policies, and regulations in:
  - the 2010 County of Monterey General Plan;
  - Toro Area Plan (TAP);
  - Monterey County Code Chapter 7.120; and
  - Monterey County Zoning Ordinance (Title 21).No conflicts were found to exist. No communications were received during the course of review of the project indicating any inconsistencies with the text, policies, and regulations in these documents.  
b) Project Scope. The project is located at 505 Corral de Tierra Rd, a County-maintained road, in Toro subject to the Toro Area Land Use Plan. On April 4, 2024, the applicant submitted an application seeking to use their existing single-family dwelling, known as the “Hacienda House”

located in a residentially developed neighborhood as a Commercial Vacation Rental.

- c) Allowed Use. The property is located at 505 Corral de Tierra Rd, Salinas, within the Toro Area Plan (APN: 416-452-039-000). The parcel is split zoned Resource Conservation, one unit per lot, 10 acre minimum with a small portion to the northwest corner of the property having a Design Control overlay and the remainder of the parcel having a Visual Sensitivity overlays or “RC/10-D|RC/10-VS.” The RC zoning allows the use of Residential Property as a commercial vacation rental, subject to the granting of a Use Permit pursuant to Title 21, Section 21.36.050.JJ. Therefore, the proposed use is allowable.
- d) Lot Legality. The subject property (9.83 acres in size), APN: 416-452-039-000, as shown in its current size and configuration on Document #432000034 on the Parcel Map Volume 22, Page 20. Therefore, the County recognizes the property as a legal lot of record.
- e) Land Use Advisory Committee (LUAC) Review. This project was not referred to the Toro Land Use Advisory Committee for review. Based on the current review guidelines adopted by the Monterey County Board of Supervisors per Resolution No. 15-043, this application did not warrant referral to the LUAC as it does not fall within the LUAC review guidelines.
- f) Vacation Rental Operation License. Condition No. 7 requires that the applicant obtain a Vacation Rental Operation License and provide documentation to prove that they comply with all of the requirements of the Vacation Rental Operation License pursuant to Title 7 Chapter 7.120. The subject property is required as conditioned to ensure that they always have an active Vacation Rental Operation License.
- g) Business License. Condition No. 6 requires that the applicant obtain a Business License and provide documentation to prove that they comply with all of the requirements of the Business License pursuant to Title 7 section 7.02.060. The subject property is required as conditioned to ensure that they always have an active Business License.
- h) Transient Occupancy Tax. Condition No. 8 requires that the applicant register with the County of Monterey Treasurer-Tax Collector to pay Transient Occupancy Tax pursuant to Title 5 Chapter 5.40 and must pay Transient Occupancy Tax on all applicable rent received from transient occupancy of their residential property as a commercial vacation rental. The subject property is required as conditioned to ensure payment of Transient Occupancy Tax to the County of Monterey Treasurer-Tax Collector is made pursuant to Title 5 Chapter 5.40.
- i) Adequate Emergency Response Time. Condition No. 5 requires that the applicants notify the guests of the average response time for emergency fire and medical services and the address and phone number of those services. The subject property complies with Title 21 section 21.64.290.F.5, adequate emergency response times for fire and emergency medical. The submitted Operations Plan includes contact information for County emergency services for fire and emergency medical. The property complies with adequate public facilities and services requirements pursuant to the 2010 County of Monterey General Plan Safety Element Policy PS-1.1 and Table PS-1. The subject

property is within a 15-minute drive from the Monterey County Regional Fire Station 3 and a 24-minute drive from Salinas Valley Health Medical Center, which provide 24-hour emergency medical and fire response services. Additionally, the applicant provided the property manager, Anna Russell, residing at 100 Robley Rd, Salinas, CA 93908 will be available 24/7 to respond within the 30 minutes to any concerns on the property. The subject property complies with the requirement to provide contact information for County emergency services for fire and emergency medical. The contact information is included as required in the informational signage that must be posted within six feet of the front door.

- j) Parking. Title 21 section 21.64.290.F.6 requires that commercial vacation rentals provide parking in compliance with Title 21 section 21.58.040. Title 21 section 21.58.040 establishes the minimum required parking spaces. A single-family dwelling requires two parking spaces. As proposed, the property can accommodate up to 15 total cars for occupants and employees, which exceeds the requirements of Title 21 section 21.58.040.
- k) One Commercial Vacation Rental Per Legal Lot of Record. The subject legal lot of record complies with Title 21 section 21.64.290.F.7 as this is the only Commercial Vacation Rental on the legal lot of record (APN: 416-452-039-000).
- l) Ownership Interest in One Commercial Vacation Rental in the Unincorporated Monterey County. The trustees of the legal lot of record comply with Title 21 Section 21.64.290.F.8 and do not have any ownership interest in any other Commercial Vacation Rentals in the unincorporated Monterey County. This application before the Zoning Administrator would be the first and only ownership interest the applicants would have in a Commercial Vacation Rental in the unincorporated Monterey County.
- m) Permit Expiration. Condition No. 4 applies a 7-year expiration to the granting of this Use Permit, pursuant to Title 21 Sub-Section 21.64.290.F.12.a. The purpose of this expiration is to provide adequate on-going review of the approved use of the residential property as a Commercial Vacation Rental. Prior to its expiration, the owner/applicant shall file an extension in accordance with Title 21 Section 21.74.110, which requires submittal of the request at least 30 days prior to the expiration date. The appropriate authority to consider this extension shall be the Zoning Administrator. This subsequent review will ensure: 1) the use continues to meet the standards of Title 21 and 2) an opportunity for Planning staff's review for on-going compliance with the conditions of approval.
- n) Access. The property has access through Corral de Tierra Road, a County owned and maintained public road, and therefore is not required to comply with Title 16 Chapter 16.80, which regulates private roads in Monterey County.

**2. FINDING: SITE SUITABILITY** – The site is physically suitable for the proposed development and/or use.

- EVIDENCE:**
- a) The project has been reviewed for site suitability by HCD-Planning and HCD-Environmental Services. County staff reviewed the application materials and plans to verify that the project on the subject site conforms to the applicable plans and regulations, and there has been no indication from these departments/agencies that the site is not suitable for the development. Conditions recommended have been incorporated.
  - b) The application, project plans, and related support materials submitted by the project applicant to Monterey County HCD-Planning found in Project File PLN240091.

**3. FINDING: HEALTH AND SAFETY** – The establishment, maintenance, or operation of the project applied for will not, under the circumstances of this particular case, be detrimental to the health, safety, peace, morals, comfort, and general welfare of persons residing or working in the neighborhood of such proposed use, or be detrimental or injurious to property and improvements in the neighborhood or to the general welfare of the County.

- EVIDENCE:**
- a) The project was reviewed by HCD-Planning and HCD-Environmental Services. The property is served by a private well, which has been verified by the County of Monterey Health Bureau Environmental Health Division to satisfy the bacteriological and acute inorganic primary drinking water standards, and the onsite septic system will be sufficient to provide sewer treatment for the dwelling. The project will not have an adverse effect on the health, safety, and welfare of persons either residing or working in the neighborhood.
  - b) Necessary infrastructure is in place to serve the use, as discussed in subsequent Evidence “c” through “f”.
  - c) The property has road access to Corral De Tierra Rd Road, a County owned and maintained public road.
  - d) The residence is connected to an existing Onsite Wastewater Treatment System (OWTS). A performance evaluation on the OWTS was provided to Environmental Health Bureau (EHB) and was subsequently deemed complete on September 9, 2025. Based on the evidence provided, EHB found that the OWTS was in good working order and functioning properly and that the system was installed in the form and manner as required by the County on June 4, 2024, satisfying the requirements of Title 21 section 21.64.290.F.8-9.
  - e) Solid waste (garbage) collection service is and will continue to be provided by USA Waste of California.
  - f) The application, project plans, and related support materials submitted by the project applicant to Monterey County HCD-Planning found in Project File PLN240091.

**4. FINDING: VIOLATIONS** – The subject property is not in compliance with all rules and regulations pertaining to zoning uses, subdivision, and any other applicable provisions of the County’s zoning ordinance.

- EVIDENCE:**
- a) Staff reviewed Monterey County HCD-Planning and HCD-Building Services records and is aware of one current violation existing on the subject property for a commercial vacation rental (Code Enforcement Case 21CE00505). On April 13, 2022, an inquiry letter from HCD-Code

Compliance was sent to the property owner stating that the property may possibly be in violation with Monterey County Code through the operation of a non-permitted vacation rental and that immediate action shall be taken to bring the property into compliance. The applicant submitted a request for a Use Permit for an after-the-fact Commercial Vacation Rental to allow the use of a residential property for transient lodging for a period of 30 calendar days or fewer and abate Code Enforcement Violation No. 21CE00505 to bring their property into compliance with the Monterey County Code on March 29, 2024. No additional complaints have been received.

- b) The violation (Code Enforcement No. 21CE00505) will be abated upon granting of this permit and brings the subject property into compliance.
- c) The application, project plans, and related support materials submitted by the project applicant to Monterey County HCD-Planning found in Project File PLN240091.

- 5. FINDING:** **CEQA (Exempt)** – The project qualifies for a Class 1 categorical exemption pursuant to CEQA Guidelines section 15301 and no unusual circumstances were identified to exist for the proposed project.
- EVIDENCE:**
- a) California Environmental Quality Act (CEQA) Guidelines section 15301, categorically exempts the leasing of existing private structures, involving negligible or no expansion of existing or former use.
  - b) The project proposed to allow the use of an existing residential property for transient lodging for a period of 30 calendar days or fewer. The project would not expand the residence, nor would it allow any additional occupancy beyond what is allowed for the existing residence. Therefore, the project fits the criteria of the exemption.
  - c) None of the exceptions under CEQA Guidelines section 15300.2 apply to this project, as discussed in subsequent Evidence “d” through “i”.
  - d) Class 1 exemptions do not qualify for an exception based on location.
  - e) The County’s regulatory process of Use Permits for the use of an existing residential property for transient lodging allows the County to regulate such uses in a way that would prevent adverse cumulative impacts to the surrounding environment. Consistent with the Findings and Purpose in Monterey County Ordinance Number 5422 section 1.F, the requirement for a Use Permit for commercial vacation rental activities ensures that the impact of such leasing activities can be appropriately evaluated.

The County prepared a Final Environmental Impact Report (FEIR) for the Vacation Rental Ordinances project, which was certified by the Board on August 27, 2024 (SCH# 2022080643). The FEIR analyzed the project for environmental impacts and did not identify any significant or unavoidable impacts of Commercial Vacation Rentals up to the Commercial Vacation Rental cap set for each County of Monterey Planning Area. This commercial vacation rental does not exceed the cap on commercial vacation rentals in the Toro Area Plan. The FEIR did disclose that vacation rentals have the potential for negative side effects including nuisance issues such as traffic, parking and noise. County regulations have been developed and are in effect to ensure that vacation

rentals remain compatible with existing residential uses and limits such as nuisances in which the applicant/operator must comply with. Additionally, cumulative impacts of the regulations taken together with other past, present, and probable future projects were analyzed. There is no evidence suggesting that implementing the regulations would result in a significant or unavoidable environmental impact.

Further, Title 21 section 21.64.290 establishes caps on the maximum amount of Use Permits for commercial vacation rentals to ensure that the potential cumulative effects of commercial vacation rentals are minimized. The granting of Use Permit would allow the establishment of the 3<sup>rd</sup> permitted vacation rental in the Toro Area Plan out of a maximum of 173 Use Permits that may be issued at any given time pursuant to Title 21 Section 21.64.290.F.3.b. The project is consistent with all the criteria in Title 21 section 21.64.290 and, therefore, would not contribute to a cumulative effect.

- f) There are no unusual circumstances related to the project that would create the reasonable possibility of a significant effect.
- g) The parcel is located on Corral De Tierra, a Scenic Highway Corridor, and is in the Critical Viewshed in a visually sensitive area of the Toro Area Plan. However, the project also does not propose any physical changes that would have any potential to impact scenic resources: no construction, exterior alterations to structures, land alteration, or vegetation (or tree) removal are proposed.
- h) The project is not located on a hazardous waste site included on any list compiled pursuant to Section 65962.5 of the Government Code.
- i) The project would not damage any historical resources.
- j) The application, project plans, and related support materials submitted by the project applicant to Monterey County HCD-Planning found in Project File PLN240091.

**6. FINDING:** **APPEALABILITY** – The decision on this project may be appealed to the Planning Commission.

**EVIDENCE:** a) Planning Commission. Pursuant to Title 21 section 21.80.040.B, an appeal of the Zoning Administrator’s decision for this project may be made to the Planning Commission by any public agency or person aggrieved by their decision.

## DECISION

**NOW, THEREFORE**, based on the above findings and evidence, the Zoning Administrator does hereby:

- 1) Find that the project, allowing the use of an existing residential property for transient lodging, qualifies for a Class 1 Categorical Exemption pursuant to CEQA Guidelines Section 15301, and no exceptions under section 15300.2 apply; and
- 2) Approving an after-the-fact Use Permit for a Commercial Vacation Rental to allow the use of a residential property for transient lodging for a period of 30 calendar days or fewer to clear Code Enforcement Case 21CE00505.

Said decision is to be in substantial conformance with the attached plan and subject to the attached conditions, which are incorporated herein for reference.

**PASSED AND ADOPTED** this 26<sup>th</sup> day of February, 2026.
