The County Auditor-Controller shall pay the amount certified within 30 days of receiving the certified invoice.

7.0 TERMINATION:

- 7.01 During the term of this Agreement, the County may terminate the Agreement for any reason by giving written notice of termination to the CONTRACTOR at least thirty (30) days prior to the effective date of termination. In the event of such termination, the amount payable under this Agreement shall be reduced in proportion to the services provided prior to the date of termination.

Any such tail

coverage shall continue for at least three years following the expiration or earlier termination of this Agreement.

(Note: any proposed modifications to these insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

9.04 Other Requirements:

All insurance required by this Agreement shall be with a company acceptable to the County and issued and executed by an admitted insurer authorized to transact Insurance business in the State of California. Unless otherwise specified by this Agreement, all such insurance shall be written on an occurrence basis, or, if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three years following the date CONTRACTOR completes its performance of services under this Agreement.

Each liability policy shall provide that the County shall be given notice in writing at least thirty days in advance of any endorsed reduction in coverage or limit, cancellation, or intended non-renewal thereof. Each policy shall provide coverage for Contractor and additional insureds with respect to claims arising from each subcontractor, if any, performing work under this Agreement, or be accompanied by a certificate of insurance from each subcontractor showing each subcontractor has identical insurance coverage to the above requirements.

Commercial general liability and automobile liability policies shall provide an endorsement naming the County of Monterey, its officers, agents, and employees as Additional Insureds with respect to liability arising out of the CONTRACTOR'S work, including ongoing and completed operations, **and shall further provide that such insurance is primary insurance to any insurance or self-insurance maintained by the County and that the insurance of the Additional Insureds shall not be called upon to contribute to a loss covered by the CONTRACTOR'S insurance.** The required endorsement form for Commercial General Liability Additional Insured is ISO Form CG 20 10 11-85 or CG 20 10 10 01 in tandem with CG 20 37 10 01 (2000). The CONTRACTOR shall file a new or amended certificate of insurance within five calendar days after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect. CONTRACTOR shall always during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by County, annual certificates to County's Contract Administrator and County's Contracts/Purchasing Division. If the certificate is not received by the expiration date, County shall notify CONTRACTOR and CONTRACTOR shall have five calendar days to send in the certificate, evidencing no lapse in coverage during the interim. Failure by CONTRACTOR to maintain such insurance is a default of

this Agreement, which entitles County, at its sole discretion, to terminate this Agreement immediately.

- 10.1 **Confidentiality:** CONTRACTOR and its officers, employees, agents, and subcontractors shall comply with any and all federal, state, and local laws, which provide for the confidentiality of records and other information. EXHIBIT B

SOLE SOURCE/SOLE BRAND JUSTIFICATION

OVERVIEW:

On rare occasions there may be a need to purchase goods or services from one vendor/contractor without going to formal bid or requesting competitive quotations. This is known as "Sole Source" purchasing. This document does not replace an Agreement.

"Sole Source" purchasing is authorized by Monterey County Code 2.32.040, Emergency Purchases, and by Monterey County Code 2.32.070, Competitive Bidding Not Required.

"Sole Source" purchasing may be necessary under certain circumstances such as an emergency wherein the department head or other County Official who is authorized to sign requisitions may purchase items for the continuance of the department function, or that items purchased are necessary for the preservation of life or property, and that no authorized purchasing department personnel are immediately available to make the purchase.

A sole source may be designated when it is apparent that a needed product or service is uniquely available from the source, or for all practical purposes, it is justifiably in the best interest of the County. The designation of a "Sole Source" supplier must be authorized by the County Purchasing Agent or Deputy-Purchasing Agent before the requirement for competitive quotations is waived.

In an effort to expedite sole source/brand requisition requests through Contracts/Purchasing, we would encourage you to review the criteria for Sole Source/Brand form herein. If you feel your request meets such criteria, follow the instructions in filling out the form, along with a Department Head signature approving the request on behalf of their department. If sole source/brand justification is warranted and accepted by Purchasing, the request shall be signed by the Contracts/Purchasing Officer (CPO).

This is an internal review process. Departments are requested to use discretion in their discussion with vendors so as not to compromise any competitive advantage the Buyer may utilize, regardless of the acceptance or rejection of the sole source/brand justification.

Contracts/Purchasing will advise you when a particular competitive review process may both serve the County better and/or be required by governing law.

The **JUSTIFICATION OF SOLE SOURCE/SOLE BRAND REQUEST** is **NOT** an agreement.

PROCEDURE:

Sole source/brand purchasing is an exception to the normal procurement function and requires a detailed justification. In processing sole source/brand requests for supplies, services and/or equipment, Contracts/Purchasing adheres to and is governed by the principles set forth in both the Federal and State Laws governing public purchasing and the Public Contract Code, and by the adopted and approved County of Monterey Policies and Procedures.

If you are requesting a particular vendor, brand, or product, you must make this fact clear on your request. Such a request should not be made unless the request is reasonable and appropriately justified to meet legal requirements and can withstand a possible audit. The County requirements and the format for submitting such requests are contained herein.

The **JUSTIFICATION OF SOLE SOURCE/SOLE BRAND REQUEST** is **NOT** an agreement.

The following factors **DO NOT** apply to sole source/brand requests and should not be included in your sole source/brand justification. They will not be considered and only tend to confuse the evaluation process.

1. Personal preference for product or vendor
2. Cost, vendor performance, and local service (this may be considered an award factor in competitive bidding)
3. Features which exceed the minimum department requirements
4. Explanation for the actual need and basic use for the equipment, unless the information relates to a request for unique factors
5. A request for no substitution submitted without justification. This is a sole source/brand request requiring detailed justification including established sole source/brand criteria

Please make copies of the Criteria for Sole Source/Brand form for your future use.

3. Provide a brief description of the goods/services to be purchased and why this purchase is being proposed under a sole source acquisition.

- a) Why were product and/or vendor chosen?

Restorative Justice Partners, Inc was first introduced into Monterey County as a victim offender reconciliation program. A Community Restorative Commission was appointed by the Board of Supervisors in 2002, and a contract with Monterey County Probation Department through the juvenile justice crime prevention act was established and RJP was the sole provider expert in our county.

- b) What are the unique performance features of the product/brand requested that are not available in any other product/brand? For Services: what unique qualifications, rights, and licenses does the vendor possess to qualify as a sole source/brand request?

The Victim Impact Program (VIP) provides an opportunity for people who have been victims of crime to have their voices heard by referred participants in an accountable and safe environment. In collaboration with a locally-based Bureau of speakers and site partners, these courses are currently being offered to our incarcerated adults at the county jail. Its evidence based curriculum created specifically for victims and offenders for advancement of healing among those involved.

- c) Why are these specific features/qualifications required?

Building such a community creates a healthy environment that promotes a justice grounded in accountability and healing. The Monterey County Board of Supervisors want to see more restorative justice type programs in our community and jail happening for this reason the commission was established for the county and heavily supported making sure that restorative practices are being at schools, and in our justice system.

- d) What other products/services have been examined and/or rejected?

There is no other product like this in our community that has this type of curriculum and courses.

- e) Why are other sources providing like goods or services unacceptable (please give a full meaningful explanation)?

Others don't have the evidence based curriculum and standards that RJP is providing. There are many other vendors who claim that they provide restorative justice practices but do not follow the national standards that are mandated to follow. Also, this is a community based established program that was created because of the need in our Monterey County Community. In 1987 this organization was established amongst local leaders of our county making sure victims were supported.

- f) What are the unique performance features **REQUIRED** (not merely preferred), and how would your requirement be inhibited without this particular item or service?

As partnerships are developed throughout the County, efforts move toward sustainable and systemic outcomes for those served. RJP continues to be the foundational heart for our community victims, schools, and justice systems. RJP are able to reach out and bring in these speakers who have been victims of crime, and train them, support them, and bring them into facilities like ours to tell there stories. This is not an easy thing to do, and they do a great job of making it happen.

- g) Estimated Costs:

\$68,500 a year for 3 years.

4. Is there an unusual or compelling urgency associated with this project?

☐

No

☒

Yes (Please describe)

Yes, the county jail counts on RJP to administer our circles programs, for transition to the outside. These circles assist incarcerated who have just been released from jail in preparing a successful re-entry in our community. This program is for community members who have loved ones incarcerated. This program offers an inclusive and structured framework for low-risk, trust-building dialogue that explores values and topics of interest, and empowers a healthy process of healing.
