SUMMARY:

The Public Defender office applied and was awarded a Public Defense Pilot Program grant through the State of California Board of State and Community Corrections (BSCC) in the amount of \$1,520,246 to be funded for a period commencing on March 1, 2022, through December 31, 2026. The Public Defender Office received \$525,757 in FY 2021-22 and \$529,993 in FY 2023-24. The Board of State and Community Corrections (BSCC) requires formal authorization to receive year three funding in the amount of \$464,496 for FY 2024-25.

DISCUSSION:

The Board of State and Community Corrections (BSCC) is an independent statutory agency that provides leadership and technical assistance to the adult and juvenile criminal justice systems, expertise on Public Safety Realignment issues, a data and information clearinghouse, and provides assistance on a wide range of community corrections issues. The BSCC also administers public safety related to grant funding, including evidence-based practices to fight gangs, and works to address the over-representation of youth of color in the juvenile justice system.

The Budget Act of 2021 (Senate Bill 129) appropriated funding for the Public Defense Pilot Program to each county for indigent defense providers, including public defenders, alternate defenders, and other qualifying entities that provide indigent defense in criminal matters for the purposes of workload associated with the provisions in paragraph (1) of subdivision (d) of Section 1170 of, and Sections 1170.95, 1473.7, and 3051 of, the Penal Code.

Currently, the Public Defender's office cannot meet the needs resulting from Senate Bill 129 with the existing resources and staff. Attorneys will be consuming cases affected by the above changes in legislation requiring analysis and review in addition to their current caseloads. Supplementary support from legal assistants and experts will also result in a work product increase required by 1473.7 motions made under the Racial Justice Act (RJA), the fact-intensive nature of proceedings under 1437.7, 3051, and 1170.95 will require substantial investigative efforts in matters that are decades old.

Funds awarded under the Public Defense Pilot Program will be utilized to continue funding the Public Defender's office deployment of an attorney position and Legal Assistant to provide indigent defense services under the Racial Justice Act (California Penal Code section 745) and the Youthful Offender Parole Act (California Penal Code section 3051).

OTHER AGENCY INVOLVEMENT:

The County Administrative Office has reviewed the recommendation. The matter will be scheduled for Budget Committee if necessary.

FINANCING:

The Public Defender's office seeks Board Approval of a budget increase in appropriations and revenues of \$464,496 for Public Defender Budget Unit 001-2270-PUB001-8169 in the FY 2024-25 Adopted Budget. The grant awarded under the Public Defense Pilot Program Grant requires no
