Please tell us about yourself and why you want serve:

I'm civic-minded and a dedicated advocate for women's rights. I'm familiar with the kinds of issues that impact women. I've published two academic books and many articles on women's reproductive experiences. My two children are entering adulthood and I finally have time to engage more deeply with my local community. I commute to Cabrillo College where I've worked full time for over 20 years. I've lived in Monterey County for five years now. When I lived in Santa Cruz County, I was politically active in creating and maintaining safe cycling routes and access for residents.
