X. APPOINTMENT PROCEDURE

1. Committee staff, immediately upon learning of an actual or potential vacancy and in no event later than five business days of learning of such vacancy, must notify the County of Monterey Clerk of the Board of Supervisors (Clerk of the Board) of the vacancy.
2. Upon notification, the Clerk of the Board shall immediately inform the Board of Supervisors (BOS), Board Chiefs of Staff, and the County Administrative Officer (CAO).
3. For vacancies or expiring terms, the CAO shall institute a process for the solicitation of interested residents within the unincorporated areas of Districts 1, 2, 3, 4, and 5 to serve on the Oversight Committee, including publication in newspapers of general circulation and posting on the County website and social media outlets; such solicitation to remain open for 30 calendar days from posting on the County's website.

4. Interested persons, including the Oversight Committee member whose appointment will expire, may self-nominate to serve by filing an application with résumé and statement of interest (application package) with the Clerk of the Board no later than the close of the solicitation period; such application package to indicate a place of residence and general qualifications.
5. The Supervisors for Districts 1, 2, 3, 4, and 5 may nominate persons, including the committee member whose appointment will expire, to serve on the Oversight Committee by providing the Clerk of the Board, no later than the close of the solicitation period, with a memorandum setting forth the nominated persons' residence and general qualifications.
6. Following the close of the nominating period, Committee staff shall review the application packages and supervisorial nominations to confirm residency within the unincorporated areas of the county, determine the supervisorial district within which the applicant or nominee resides, and provide a recommendation to the BOS. The CAO shall cause an item to be scheduled on the BOS agenda within three weeks, or the first Board Meeting after three weeks, of the close of the solicitation period, for the BOS to consider the appointment. Through the Board Report, the CAO will identify which districts the existing members represent and attach all completed submitted application packages for the Board of Supervisors' consideration.
7. In making the appointment, the Board of Supervisors shall consider the supervisorial district within which the applicants or nominees reside to have an equitable representation of the supervisorial districts on the Oversight Committee.
8. The CAO and County Counsel are authorized and directed to take action as may be necessary or appropriate to implement the intent and purposes of this resolution.
