This Addendum No. 2 consists of the following: **preliminary questions/written responses for RFP #10957 for Litter Abatement Services located in the County of Monterey County, California.**

Question No.	Question	County of Monterey Response
1.	I don't really have any questions except to confirm that it will be administered T&M as it is an on call contract? All debris will be billed for actual tonnage.	<i>Yes, this will be administered on a time and materials basis and debris will be billed for actual tonnage.</i>
2.	Is the County currently doing this scope of work in house or under contract with an outside vendor?	<i>The County is currently contracting with an outside vendor to perform this scope of work.</i>
3.	Do we need to register on the county site to receive addendums and updates?	<i>Registration is not required to receive addendums or updates. Please refer to paragraph 3.8 Future Addends on page 7 of the RFP.</i>
4.	Is there a page limit for the proposal submission?	<i>Please refer to Section 8.0, Proposal Package Requirements, of the RFP submittal instruction and for any page limits.</i>
5.	Regarding crew rates on the pricing schedule, this is dependent on how many people on a crew. Will the county provide a "number of crew" so all prospective vendors can bid on the same number?	<i>The County will not provide a "number of crews". Typically, a crew is 2 to 3 persons. It is recommended to include the cost for any additional crew members.</i>
