I am presently serving as a Proxy for Commissioner Phyllis Cleveland and have been since May 30, 2015.

Interests & Experiences

Please tell us about yourself and why you want serve

I am retired from the Federal Aviation Administration, having served as a Air Traffic Controller, Air Traffic Supervisor and Air Traffic Manager. I spent 9 years at San Francisco Airport Traffic Control Tower and was involved in all aspects of the airport operation including the surrounding commnities, attending monthly airport noise round-table meeting providing information concerning flight operations. I feel I have the experiences and expertise to perform as a commissioner having been present at most meeting since 2015.

Please state the reason you would like to be a member of this board committee/commission/district.

I feel I have the experience to provide sound answers to questions that are presented to the Commission on a monthly basis. As said, I have supported the Commission as a Proxy for Phyllis Cleveland and enjoy the meetings and topics tha are covered. Monterey Regional Airport is very important to the Central Coast and keeping it at top opertional level is a never ending job and being a part of the team that helps in that endeavor is fulfilling.

Interests & Experiences

Please tell us about yourself and why you want serve

I believe airports and their related infrastructure are vital to economic development and improving the quality of life in Monterey County. My background includes 20+ years as a journalist focused on economic development in East Asia, one term as mayor of a small town in Washington State (2010-13), and a deep understanding of financial markets. I have lived in Salinas with my spouse, Diana Garrett, since 2016. She is a master teacher with the Greenfield Union School District. Both of us graduated from UC Davis in 1985 (Go Aggies!) and grew up in California. I moved with my family as an eight-year-old to Santa Clara in 1971, and Diana lived off-and-on in Modesto and surrounding towns (her father was career Army and took the family on several long postings to Europe). Lastly, my interest in sailing has engendered an abiding love for Monterey Bay. I am currently vice commodore of The Potter Yachters, California's oldest and most active trailer-sailing club. I will begin serving as commodore in January 2027.

Please state the reason you would like to be a member of this board committee/commission/district.

1) Promote reasonable economic development in/around the county's airports 2) Recognize and mitigate community concerns regarding negative impacts 3) Explore models of best-practices that can be applied here on the Central Coast

Have you served on an advisory group before?

Yes

If yes, please explain

During my service as mayor of Cathlamet, WA, I served on several county-level (Wahkiakum) committees on land use, economic development, etc.; and on a regional board with the Lower Columbia Council of Governments.

Interests & Experiences

Please tell us about yourself and why you want serve

I am a Private Pilot, Advanced Ground Instructor, and Light Sport Maintenance Mechanic with a strong background in manufacturing, aircraft maintenance, and flight operations. In addition to my technical experience, I bring skills in program management, community outreach, and grant funding. Aviation is both my profession and my passion. I am eager to continue learning about airport operations and to contribute my knowledge and experience in a meaningful way. Serving in this role would allow me to give back to the aviation community that has provided me with valuable opportunities and shaped my career.

Please state the reason you would like to be a member of this board committee/commission/district.

I want to contribute my aviation experience and support responsible land-use decisions that protect both public safety and airport operations. As a Private Pilot, Advanced Ground Instructor, and Light Sport Maintenance Mechanic, I understand the operational, safety, and infrastructure needs of airports and the importance of maintaining compatible development in surrounding areas. In addition, my background in program management, advisory work, and community engagement has given me experience collaborating with stakeholders and helping align technical needs with public policy. I am particularly interested in continuing to learn more about airport planning and governance while contributing a practical, aviation-informed perspective. Serving would allow me to give back to the community and help ensure the long-term viability and safety of our local airports for future generations.

Have you served on an advisory group before?

Yes

If yes, please explain

For several years, I have served as a consultant to Hartnell Community College's Agricultural and Advanced Manufacturing Advisory Board. In this role, I have helped refine academic programs by providing insight into current industry needs, contributing to curriculum development, and ensuring that students are well prepared to enter the workforce.
