SUMMARY/DISCUSSION:

The Monterey County Sheriff's Office (MCSO) ensures medical services are provided for incarcerated persons (IP) in the County of Monterey. After medical services have been provided to IP, a claim is submitted from Natividad Medical Center and County of Monterey, Department of Social Services and MCSO. MCSO submits their claim to Correctcare-Intergrated Health Inc., for review and adjudication. Once the review/adjudication has been completed the claim for the IP is paid.

Correctcare-Intergrated Health Inc. is a third-party administrator for corrections, handling claims for more than 100,000 IP. They control costs through claims adjudication, utilization management, and access to discounts through their provider network.

Correctcare complies with all Health Insurance Portability and Accountability Act of 1996 and Health Information Technology for Economic and Clinical Health Act, the regulations promulgated thereunder by the U.S Department of Health and Human Services and other applicable laws.

The Office of County Counsel has reviewed and advised on this Agreement as to legal form. The Auditor-Controller has reviewed and approved the Agreement as to fiscal provisions.

FINANCING:
