Monterey County Board of Supervisors Referral Submittal Form

Referral No. 2025.02
Assignment Date: 02/25/25
(Completed by CAO's Office)

SUBMITTAL - Completed by referring Board office and returned to CAO no later than 10:00AM on Wednesday prior to Board meeting:

Date: 23 February 2025	Submitted By: Supervisor Glenn Church	District #: 2
Referral Title: Sewer charge assistance for recovering non-residential customers in Pajaro County Sanitation District (PCSD)		
Referral Purpose: To ease non-residential customers, who are still recovering from the March 2023 storms and flooding, into the new PCSD sewer rates approved in 2024 by PCSD Ordinance 5420		
Brief Referral Description (attach additional sheet as required): PCSD and the Monterey County conducted a Prop 218 process in early-2024 to bring sewer rates in alignment with industry needs, while trending consistent with neighboring local agencies. The Prop 218 passed and culminated in the sewer rate ordinance PCSD Ordinance No. 5420 on July 9, 2024. However, the March 2023 Winter Storms and Pajaro River Levee failure that flooded the community of Pajaro and evacuated the constituents for days, has caused long-lasting financial impacts on both residential customers and non-residential customers (i.e., commercial and industrial). The District 2 Supervisor Office and Public Works, Facilities and Parks (PWFP) staff have received concerns from these non-residential customers. This Board Referral seeks to provide solutions for temporary relief to the non-residential customers to help them while they continue to recover from flood losses, and help them to remain in Pajaro to conduct their business and thrive, without the need to revisit the Prop 218 study and process that was recently approved. This aid might need to take the course of multiple years for the businesses to recover.
