[JEREMY T AND WHITNEY BEAVER TRS,
3105 STEVENSON DR, PEBBLE BEACH, CA
93953, GREATER MONTEREY PENINSULA
AREA PLAN (APN: 007-422-022-000)]

The BEAVER JEREMY T & WHITNEY TRS application (PLN250346) came on for a public hearing before the County of Monterey Zoning Administrator on March 12, 2026. Having considered all the written and documentary evidence, the administrative record, the staff report, oral testimony, and other evidence presented, the Zoning Administrator finds and decides as follows:

FINDINGS

1. **FINDING:** **CONSISTENCY** – The Project, as conditioned, is consistent with the applicable plans and policies which designate this area as appropriate for development.
EVIDENCE:
 - a) During the course of review of this application, the project has been reviewed for consistency with the text, policies, and regulations in:
 - the 2010 County of Monterey General Plan;
 - Greater Monterey Peninsula Area Plan (GMPAP);
 - Monterey County Code Chapter 7.120;
 - Roads (Monterey County Code Chapter 16.80); and
 - Monterey County Zoning Ordinance (Title 21).Conflicts were found to exist. Communications were received during the course of review of the project indicating inconsistencies with the text, policies, and regulations in these documents.
 - b) Project Scope. The project is located at 3105 Stevenson Dr, a privately maintained road, in Pebble Beach subject to the Greater Monterey Peninsula Land Use Plan. On December 1, 2025, the applicant submitted an application seeking to use their existing single-family dwelling located on the parcel in a medium density residential neighborhood as a vacation

rental. The site is developed with existing 2,803 square foot single-family dwelling with an attached 315 square foot garage, and a detached guesthouse. The applicant does not propose to include the guesthouse as part of the Commercial Vacation Rental and only proposes to use the single-family dwelling and attached garage.

- c) Allowed Use. The property is located at 3105 Stevenson Dr, Pebble Beach, within the Greater Monterey Peninsula Land Use Plan (APN: 007-422-022-000). The parcel is zoned Medium Density Residential with a Building Site 6 overlay, Design overlay, and a Parking and Use of Major Recreational Equipment Storage in Seaward Zone overlay or “MDR-B-6-D-RES”. Title 21 Section 21.12.050.Y allows for the Commercial Vacation Rental use subject to the granting of a Use Permit. Title 21 Section 21.64.290.F establishes the regulations for a property operating as a Commercial Vacation Rental on such property for transient lodging for a period of 30 calendar days or fewer. Therefore, the proposed use is allowable.
- d) Lot Legality. The subject property (0.27 acres in size), APN: 007-422-022-000, as shown in its current size and configuration and described under separate ownership on the 1964 Assessor’s Parcel Map Book 7, page 42. Therefore, the County recognizes the property as a legal lot of record.
- e) Land Use Advisory Committee (LUAC) Review. This project was not referred to the Del Monte Forest Land Use Advisory Committee for review. Based on the current review guidelines adopted by the Monterey County Board of Supervisors per Resolution No. 15-043, this application did not warrant referral to the LUAC as it does not fall within the LUAC review guidelines.
- f) Vacation Rental Operation License. Condition No. 7 requires that the applicant obtain a Vacation Rental Operation License and provide documentation to prove that they comply with all of the requirements of the Vacation Rental Operation License pursuant to Title 7 Chapter 7.120. The subject property is required as conditioned to ensure that they always have an active Vacation Rental Operation License.
- g) Business License. Condition No. 6 requires that the applicant obtain a Business License and provide documentation to prove that they comply with all of the requirements of the Business License pursuant to Title 7 section 7.02.060. The subject property is required as conditioned to ensure that they always have an active Business License.
- h) Transient Occupancy Tax. Condition No. 8 requires that the applicant register with the County of Monterey Treasurer-Tax Collector to pay Transient Occupancy Tax pursuant to Title 5 Chapter 5.40 and must pay Transient Occupancy Tax on all applicable rent received from transient occupancy of their residential property as a commercial vacation rental. The subject property is required as conditioned to ensure payment of Transient Occupancy Tax to the County of Monterey Treasurer-Tax Collector is made pursuant to Title 5 Chapter 5.40.
- i) Adequate Emergency Response Time. Condition No. 5 requires that the applicants notify the guests of the average response time for emergency fire and medical services and the address and phone number of those services. The subject property complies with Title 21 section

21.64.290.F.5, adequate emergency response times for fire and emergency medical. The submitted Operations Plan includes contact information for County emergency services for fire and emergency medical. The property complies with adequate public facilities and services requirements pursuant to the 2010 County of Monterey General Plan Safety Element Policy PS-1.1 and Table PS-1. The subject property is within a 5-minute drive from the Pebble Beach Fire Station 22 and a 10-minute drive from the Community Hospital of Monterey Peninsula, which provide 24-hour emergency medical and fire response services. Additionally, the applicant provided the property manager, Carmel Realty Company, will be available 24/7 to respond within the 30 minutes to any concerns on the property. The subject property complies with the requirement to provide contact information for County emergency services for fire and emergency medical. The contact information is included as required in the informational signage that must be posted within six feet of the front door.

- j) Parking. Title 21 section 21.64.290.F.6 requires that commercial vacation rentals provide parking in compliance with Title 21 section 21.58.040. Title 21 section 21.58.040 establishes the minimum required parking spaces. A single-family dwelling requires two parking spaces. As proposed, the property can accommodate up to six total cars for occupants and employees, which exceeds the requirements of Title 21 section 21.58.040.
- k) One Commercial Vacation Rental Per Legal Lot of Record. The subject legal lot of record complies with Title 21 section 21.64.290.F.7 as this is the only Commercial Vacation Rental on the legal lot of record (APN: 007-422-022-000).
- l) Ownership Interest in One Commercial Vacation Rental in the Unincorporated Monterey County. The trustees of the legal lot of record comply with Title 21 Section 21.64.290.F.8 and do not have any ownership interest in any other Commercial Vacation Rentals in the unincorporated Monterey County. This application before the Zoning Administrator would be the first and only ownership interest the applicants would have in a Commercial Vacation Rental in the unincorporated Monterey County.
- m) Permit Expiration. Condition No. 4 applies a 7-year expiration to the granting of this Use Permit, pursuant to Title 21 Sub-Section 21.64.290.F.12.a. The purpose of this expiration is to provide adequate on-going review of the approved use of the residential property as a Commercial Vacation Rental. Prior to its expiration, the owner/applicant shall file an extension in accordance with Title 21 Section 21.74.110, which requires submittal of the request at least 30 days prior to the expiration date. The appropriate authority to consider this extension shall be the Zoning Administrator. This subsequent review will ensure: 1) the use continues to meet the standards of Title 21 and 2) an opportunity for Planning staff's review for on-going compliance with the conditions of approval.
- n) Private Road/Access. The property is within the Pebble Beach Company, the legally established governing structure for the private roads used to access the subject parcel. Pebble Beach Company is authorized to make

determinations regarding the use, maintenance, and related matters regarding the private road. Pursuant to Title 21 section 21.64.290.F.4, the subject property must comply with Title 16 Chapter 16.80, which regulates private roads in Monterey County. The private road accessing the property is subject to a private road agreement and a private road maintenance agreement, which is recorded as a deed restriction for the subject property. The deed restriction for the subject property was recorded as Deed Number 2025020687.

The deed contains one restriction related to the “Use of Roads and Bridle Paths”, respectively, the fifth deed restriction. The fifth restriction states that the property owner “*shall maintain and keep in repair a road leading from the premises here and described to the nearest public highway, and in consideration thereof, and for the purpose of enabling the Grantor to maintain the roads and the Del Monte Forest (of which the premises herein described are a part), the Grantee personally, and on behalf, of his family, servants and employees, hereby waives the right of free ingress and egress to and from the premises herein described, and hereby agrees to pay the Grantor on the first day of March of each and every year hereafter, the sum of Twenty-Five Dollars (\$25.00); provided, however, that during each time as Grantee is the owner of a Class “A” Membership Certificate in the Monterey Peninsula Country Club*”. The plain language of this deed restriction gives the property owner access to their property as long as they pay \$25 each March 1st. Therefore, the project is classified as a Tier 4 category pursuant to Title 16 Chapter 16.80, which means this deed restriction language constitutes the private road agreement and the private road maintenance agreement.

The Pebble Beach Company has provided the County with a letter of blanket objection for all vacation rentals in the Pebble Beach Area. The applicant is aware of the objections and restrictions outlined within the CC&R and believes he has right to continue the use of the property for the proposed application of a Commercial Vacation Rental.

The County of Monterey’s regulations for private roads, pursuant to Title 16 section 16.80.060.A, state that if the Appropriate Authority finds, based on substantial evidence in the record, that a substantive dispute exists regarding the use of a private road for a project, the Appropriate Authority “*may approve the project but shall require as a condition of project approval that the applicant provide the County with proof of access demonstrating that the dispute has been satisfactorily resolved*”. Therefore, staff recommends that Condition of Approval No. 9 to ensure that the substantial dispute regarding the plain language of the private road agreement is resolved prior to the applicant commencing the use of their property as a commercial vacation rental. This Condition requires that the applicant provides the County of Monterey Housing and Community Development (HCD) staff with adequate documentation that the private road dispute has been satisfactorily resolved and the use of the property as a commercial vacation rental is allowed and does not violate the plain language of any deed restrictions and/or private road agreement.

- 2. FINDING: SITE SUITABILITY** – The site is physically suitable for the proposed development and/or use.

- EVIDENCE:**
- a) The project has been reviewed for site suitability by HCD-Planning. County staff reviewed the application materials and plans to verify that the project on the subject site conforms to the applicable plans and regulations, and there has been no indication from these departments/agencies that the site is not suitable for the development. Conditions recommended have been incorporated.
 - b) The application, project plans, and related support materials submitted by the project applicant to Monterey County HCD-Planning found in Project File PLN250346.

- 3. FINDING: HEALTH AND SAFETY** – The establishment, maintenance, or operation of the project applied for will not, under the circumstances of this particular case, be detrimental to the health, safety, peace, morals, comfort, and general welfare of persons residing or working in the neighborhood of such proposed use, or be detrimental or injurious to property and improvements in the neighborhood or to the general welfare of the County.

- EVIDENCE:**
- a) The project was reviewed by HCD-Planning. The respective agencies have recommended conditions, where appropriate, to ensure that the project will not have an adverse effect on the health, safety, and welfare of persons either residing or working in the neighborhood.
 - b) Necessary infrastructure is in place to serve the use, as discussed in subsequent Evidence “c” through “f”.
 - c) The property has road access to Stevenson Drive, a private road. No alterations to this driveway or access are required for the use (see evidence “n” in Finding 1).
 - d) California American Water currently provides potable water service to the subject property, and the existing connection will be retained for the proposed use. Sewer service will be provided by Monterey Peninsula Water Management District (MPWMD).
 - e) Solid waste (garbage) collection service is and will continue to be provided by GreenWaste Recovery, LLC.
 - f) The application, project plans, and related support materials submitted by the project applicant to Monterey County HCD-Planning found in Project File PLN250346.

- 4. FINDING: NO VIOLATIONS** – The subject property is in compliance with all rules and regulations pertaining to zoning uses, subdivision, and any other applicable provisions of the County’s zoning ordinance. No violations exist on the property.

- EVIDENCE:**
- a) Staff reviewed Monterey County HCD-Planning and HCD-Building Services records and is not aware of any current violations existing on subject property.
 - b) The application, project plans, and related support materials submitted by the project applicant to Monterey County HCD-Planning found in Project File PLN250346.

- 5. FINDING: CEQA (Exempt)** – The project qualifies for a Class 1 categorical exemption pursuant to CEQA Guidelines section 15301 and no unusual circumstances were identified to exist for the proposed project.

- EVIDENCE:**
- a) California Environmental Quality Act (CEQA) Guidelines section 15301, categorically exempts the leasing of existing private structures, involving negligible or no expansion of existing or former use.
 - b) The project proposed to allow the use of an existing residential property for transient lodging for a period of 30 calendar days or fewer. The project would not expand the residence, nor would it allow any additional occupancy beyond what is allowed for the existing residence. Therefore, the project fits the criteria of the exemption.
 - c) None of the exceptions under CEQA Guidelines section 15300.2 apply to this project, as discussed in subsequent Evidence “d” through “i”.
 - d) Class 1 exemptions do not qualify for an exception based on location.
 - e) The County’s regulatory process of Use Permits for the use of an existing residential property for transient lodging allows the County to regulate such uses in a way that would prevent adverse cumulative impacts to the surrounding environment. Consistent with the Findings and Purpose in Monterey County Ordinance Number 5422 section 1.F, the requirement for a Use Permit for commercial vacation rental activities ensures that the impact of such leasing activities can be appropriately evaluated. Further, Title 21 section 21.64.290 establishes caps on the maximum amount of Use Permits for commercial vacation rentals to ensure that the potential cumulative effects of commercial vacation rentals are minimized. The project is consistent with all the criteria in Title 21 section 21.64.290 and, therefore, would not contribute to a cumulative effect.
 - f) The Final Environmental Impact Report (FEIR) analyzed the project for environmental impacts and did not identify any significant or unavoidable impacts of Commercial Vacation Rentals up to the Commercial Vacation Rental cap set for each County of Monterey Planning Area. The FEIR did disclose that vacation rentals have the potential for negative side effects including nuisance issues such as traffic, parking and noise. County regulations have been developed and are in effect to ensure that vacation rentals remain compatible with existing residential uses and limits such nuisances in which the applicant/operator must comply with. Additionally, cumulative impacts of the regulations taken together with other past, present, and probable future projects were analyzed. There is no evidence suggesting that implementing the regulations would result in significant or unavoidable environmental impacts. Further, Title 21 section 21.64.290 establishes caps on the maximum amount of Use Permits for commercial vacation rentals to ensure that the potential cumulative effects of commercial vacation rentals are minimized. The granting of this Use Permit would allow the establishment of the 25th permitted vacation rental in the Greater Monterey Peninsula Area Plan out of a maximum of 155 Use Permits that may be issued at any given time pursuant to Title 21 Section 21.64.290.F.3.b. The project is consistent with all the criteria in Title 21 section 21.64.290 and, therefore, would not contribute to a cumulative effect.
 - g) There are no unusual circumstances related to the project that would create the reasonable possibility of a significant effect.

- h) The project would not result in damage to visual resources within view of 17-Mile Drive which is approximately one mile west of the property. The property is not visible from 17-Mile Drive due to distance and intervening vegetation and structures. The project also does not propose any physical changes that would damage scenic resources: no construction, exterior alterations to structures, land alteration, or vegetation (or tree) removal are proposed.
- i) The project is not located on a hazardous waste site included on any list compiled pursuant to Section 65962.5 of the Government Code.
- j) The project would not damage any historical resources.
- k) The application, project plans, and related support materials submitted by the project applicant to Monterey County HCD-Planning found in Project File PLN250346.

6. FINDING: **APPEALABILITY** – The decision on this project may be appealed to the Planning Commission.

EVIDENCE: Planning Commission. Pursuant to Title 21 section 21.80.040.B, an appeal of the Zoning Administrator’s decision for this project may be made to the Planning Commission by any public agency or person aggrieved by their decision.

DECISION

NOW, THEREFORE, based on the above findings and evidence, the Zoning Administrator does hereby:
