If a contractor lists in his or her bid a subcontractor who is currently disqualified under the terms of this Section, the Board may declare said contractor to be a non-responsive bidder for purposes of this Chapter. If the Board finds that a contractor to whom a contract for public works of improvement has been awarded has failed to comply with the good-faith employment provisions of this Section during the performance of the contract, the Board may disqualify Contractor from bidding on any County contract for public works of improvement for a period of one (1) year from the date of the Board's disqualification. "Resident of Monterey Bay Area" means a person who resides within the boundaries of Monterey County, Santa Cruz County, or San Benito County.

A "good-faith effort" means Contractor will take the following or similar actions to recruit and maintain Monterey Bay Area residents as part of the construction work force:

- Contact local recruitment sources, including local hiring halls, to identify qualified individuals who are Monterey Bay Area residents;
- Advertise for qualified Monterey Bay Area residents in trade papers, electronic/"on-line" sources, and newspapers of general circulation in the Monterey Bay Area, unless time limits imposed by County do not permit such advertising.
- If portions of the work are to be performed by subcontractors, identify qualified subcontractors whose work force includes Monterey Bay Area residents; and
- If current work force does not exceed the fifty (50) percent local employment requirement, develop a written plan to recruit Monterey Bay Area residents as part of the construction work force.

Contractor shall keep an accurate record on a standardized form showing the name, place of residence trade classifications, hours worked, proof of journeyman or apprenticeship status, per diem wages and benefits of each person employed by Contractor, Contractor's subcontractors on the project, including full-time, part-time, permanent, and temporary employees, make sure records are available to County with submission of final certified payroll records prior to final payment.

Said records shall include a listing by name and business address of all local recruitment sources contacted by the contractor, the date of the local recruitment contact and the identity and business address of the person contacted, the trade and classification and number of hire referrals requested, the number of local hires employed as a result of the contract, and the residence address of the person(s) employed pursuant to the contact.

At the conclusion of the project, and at other intervals as may be deemed appropriate by Construction Manager, Contractor shall provide a summary report of the percentage of actual labor work hours performed by Monterey Bay Area residents on the project.

Contractors and subcontractors are referred to the provisions of Section 5.08.120 of the Monterey

County Code and the rules, regulations, and procedures adopted to implement Section 5.08.120, which are online at <http://library.municode.com/index.aspx?clientId=16111>.

21. Bidders Interested in More Than One Bid

No person, firm, or corporation shall be allowed to make, or file, or be interested in more than one bid for the same work unless alternate bids are specifically called for. A person, firm, or corporation that has submitted a sub-proposal to a bidder, or that has quoted prices of materials to a bidder, is not thereby disqualified from submitting a sub-proposal or quoting prices to other bidders or making a prime proposal.

22. Withdrawal of Bids

Any bidder may withdraw their bid either personally, by submitting a written request or telefaxed request to the County, at any time prior to the scheduled closing time for receipt of bids.

23. Evidence of Responsibility

Upon request of County, a bidder whose bid is under consideration for the award of the contract shall submit promptly to County satisfactory evidence showing the bidder's financial resources, construction experience, and organization available for the performance of the contract, and upon written request, shall furnish County a complete copy of its estimate and all appropriate backup information and supporting documents. County may utilize this information as a basis for determining that a contractor is not responsible and, therefore, award the contract to the next lowest responsible and responsive bidder.

24. Early Completion of Project

If, as an express or implied condition of their bid, a bidder plans to complete the project before the completion date specified in the contract documents and the amounts bid for the work called for are dependent upon such early completion, the bidder must submit with his bid a preliminary work progress schedule in sufficient detail to permit County or its Architect to determine that the bidder's preliminary schedule presents a reasonable and practicable plan for performance.

- 1) Preliminary schedule shall be the bidder's proposed working schedule to plan, organize, and execute the work, record and report actual performance and progress, and show how general contractor plans to complete all remaining work as of the end of each progress report period.
- 2) The preliminary schedule shall be in the form of an activity on arrow-oriented (*I-J format*) network diagram (Critical Path Method) and the principles and definition of the terms used shall be as set forth in the Associated General Contractors of America (AGC) publication.
- 3) Failure to include a detailed preliminary work progress schedule with the bidder's bid shall be conclusively deemed to constitute acceptance of County's completion date as specified in the contract documents, and the bidder shall not thereafter be entitled to damages for any delays based on an early completion date proposed by the bidder.
- 4) Bidder who submits with his bid a preliminary work progress schedule which either (a) lacks sufficient detail to permit County to determine that the bidder's preliminary schedule presents a reasonable and practicable plan for performance or (b) is determined by County or its Architect not to be a reasonable and practicable plan for performance shall be deemed nonresponsive to the call for bids and his bid shall be rejected.

25. Award of Contract

County reserves the right to reject any or all bids, or to waive any irregularities or informalities in any bids or in the bidding. The award of the contract, if made by County, will be to the lowest responsible and responsive bidder. The lowest bidder for the project will be determined by the Base Bid or along

with any Add Alternates.

26. Documents required upon receipt of Notice of Intent to Award letter

Within ten (10) days after the bidder receives notice the Notice of Intent to Award letter, the successful bidder shall, in conformity with the contract documents, submit the following documents, including the number of originals required in the Supplementary Conditions:

- Executed Agreement (Division 005000);
- A performance bond and a payment bond, each in an amount equal to one hundred percent of the contract sum, issued and executed by an admitted surety insurer, authorized to transact surety insurance in California (Division 006000 and 006100);
- Insurance certificates showing that the successful bidder has obtained all required insurance coverage including endorsements;
- Printout showing active registration of Contractor and all Subcontractors with the Public Works Contractor Registration (online registration <https://services.dir.ca.gov/gsp>)
- Such other documents as may be required by the contract documents.

27. Bid Security Return

The bid security shall be returned to the bidders promptly after a decision is made whether to accept a bid or reject all bids, except that if a contract award is to be made, the bid security of three or more of the lowest bidders (the number being at the discretion of County) will be held for sixty (60) days after notice of award is received by the successful bidder or until the successful bidder returns the executed Agreement and posts the required bonds and certificates of insurance, whichever occurs first. If the successful bidder returns the required documents on time, all the remaining bid security will be returned.

28. Forfeiture for Failure to Execute Contract

If the bidder to whom a Notice of Intent to Award letter is made fails or refuses to execute the contract and post the required bonds and insurance certificates within ten (10) days from the date of receiving the Notice of Intent to Award letter, County may declare the bidder's bid security forfeited as liquidated damages caused by the failure of the bidder to enter into the contract, and may award the work to the next lowest responsible and responsive bidder or may call for new bids. and

WHEREAS, Principal, as Contractor, is required to furnish a bond in connection with said contract, to secure the faithful performance of said contract.

NOW, THEREFORE, we _____

as Principal, and _____

as Surety, are held and firmly bound unto the County of Monterey, a political subdivision of the State of California (hereinafter called "County"), in the penal sum of

_____ Dollars
(\$_____.00), for the payment of which sum in lawful money of the United States, well and truly to be made, we bind ourselves, our heirs, executors, administrators, successors and assigns, jointly and severally, firmly by these presents.

THE CONDITION OF THIS OBLIGATION IS SUCH THAT:

If the Principal, as Contractor, or Principal's heirs, executors, administrators, successors, or assigns, (1) shall in all things stand to and abide by and well and truly keep and perform the covenants, conditions, and agreements in said contract and any alteration thereof made as therein provided, on Principal's part to be kept and performed, at the time and in the manner therein specified and in all respects according to their true intent and meaning, and (2) shall indemnify, defend, and save harmless the County, the members of its board of supervisors, and its officers, agents, and employees as therein stipulated, then this obligation shall become null and void; otherwise, it shall be and remain in full force and virtue.

Surety hereby stipulates and agrees that no change, extension of time, alteration, or addition to the terms of the contract or the call for bids, or to the work to be performed thereunder, or the specifications accompanying the same, shall in any way affect its obligation under this bond, and it does hereby waive notice of any such change, extension of time, alteration or addition to the terms of said contract or the call for bids, or to the work, or to the specifications.
