

Zoning Administrator

Legistar File Number: ZA 26-040

April 30, 2026

Introduced: 4/21/2026

Current Status: Agenda Ready

Version: 1

Matter Type: Zoning Administrator

PLN250384 - HOAG ALEC J & SANDRA J TRS

Public hearing to consider action on Commercial Vacation Rental to allow the use of residential property for transient lodging for a period of 30 calendar days or fewer.

Project Location: 2631 Walker Avenue, Carmel, CA 93923

Proposed CEQA Action: Find the project Categorical Exempt pursuant to CEQA Guidelines section 15301 and none of the exceptions to the exemptions listed in Section 15300.2 can be made.

RECOMMENDATIONS

It is recommended that the Zoning Administrator adopt a Resolution:

- a. Finding the project qualifies for a Class 1 Categorical Exemption pursuant to CEQA Guidelines Section 15301 and none of the exceptions to the exemptions listed in Section 15300.2 can be made; and
- b. Approving a Coastal Development Permit for a Commercial Vacation Rental to allow the use of a residential property for transient lodging for a period of 30 calendar days or fewer.

The attached draft resolution includes findings and evidence for consideration (**Exhibit A**). Staff recommends approval subject to 5 conditions of approval.

PROJECT INFORMATION

Property Owner/Applicant: Alec J. Hoag & Sandra J. Hoag

APN: 009-393-008-000

Parcel Size: approximately 0.16 acre

Zoning: Medium Density Residential with a maximum gross density of 2 acres/unit with a Design Control Overlay, within the Coastal Zone or “MDR/2-D (CZ)”

Plan Area: Carmel Area Land Use Plan

Flagged and Staked: Not Applicable

Project Planner: Imani Harrigan, Assistant Planner

harrigani@countyofmonterey.gov; 831-755-5845

SUMMARY/DISCUSSION:

The project is located at 2631 Walker Avenue, a County-maintained road, in Carmel. The owner submitted an application seeking to use their existing single-family dwelling located in a residentially developed neighborhood.

The site is developed with an approximately 1,269 square foot existing single-family dwelling with two bedrooms, two bathrooms, a kitchen, and a 1,072 square foot attached accessory dwelling unit

(Exhibit C). The accessory dwelling unit is excluded from the commercial vacation rental and will not be rented as part of the use. The applicant is proposing that the single-family dwelling be occupied by a maximum of 5 people overnight and 7 people during daytime hours at the property at a time.

The property is currently served by a California American Water, and the company Waste Management is providing solid waste services for the dwelling. If approved, the granting of this Coastal Development Permit would allow the establishment of the 17th commercial vacation rental in the Carmel Area Land Use Plan out of 118 Coastal Development Permits permitted pursuant to Title 20 Section 20.64.290.F.3.b.

The proposed project is subject to the policies and regulations of the 1982 County of Monterey General Plan (General Plan), Carmel Area Land Use Plan (CAR LUP), Monterey County Coastal Implementation Plan, Part 4 (CIP), Monterey County Code Title 7 Chapter 7.120, and the Monterey County Coastal Zoning Ordinance (Title 20).

Land Use

The parcel is zoned Medium Density Residential with a maximum gross density of 2 acres/unit with a Design Control Overlay, within the Coastal Zone or “MDR/2-D (CZ).” Title 20 Section 20.12.050.DD allows for the Commercial Vacation Rental single-family subject to the granting of a Coastal Development Permit. Title 20 Section 20.64.290.F establishes the regulations for a property operating as a Commercial Vacation Rental on such property for transient lodging for a period of 30 calendar days or fewer.

The property complies with Title 20 Section 20.64.290.F.5 in that it has been demonstrated that the response time for County emergency services for fire and emergency medical services is adequate. Adequate is defined as 5-8 minutes within Community Areas, Community Plans, and Sphere of Influence, 12 minutes within Rural centers, and 45 minutes for all other areas. The subject property is within the Sphere of Influence for Carmel-by-the-Sea; therefore, it is subject to the 5-8 minutes response time. The Cypress Fire Protection District Station 25 is 6 minutes away, which provides emergency fire and medical services. Additionally, although the nearest hospital, Community Hospital of Monterey Peninsula, is 15 minutes away, Station 25 also provides emergency paramedic services including advanced life support 24-hours a day. The subject property complies with the requirement to provide contact information for County emergency services for fire and emergency medical. The Vacation Rental Operation License requires that guests be provided with the contact information on the response time for emergency medical and fire services as a part of the informational notice posted within six feet of the front door (Condition No. 5).

Parking requirements outlined in Title 20 Sections 20.64.290.F.6 and 20.58.040 require that a Single-Family Detached residential dwelling unit have 2 spaces/unit, which this application complies with as illustrated in the attached plans. In the attached plans there are a total of 3 spaces.

The subject property complies with the limitation on the number of Commercial Vacation Rentals per legal lot requirements of Title 20 Section 20.64.290.F.7, which allows one Commercial Vacation Rental per legal lot of record. The subject property will be the only Commercial Vacation Rental on the legal lot of record. The owner of the subject property complies with the ownership requirements of

Title 20 Section 20.64.290.F.10, wherein the owner of the subject property is allowed to have an ownership interest in one Commercial Vacation Rental within unincorporated Monterey County. The owners of the property do not have an ownership interest in other already operating Commercial Vacation Rentals in unincorporated Monterey County, and this would be their first and only Commercial Vacation Rental in unincorporated Monterey County.

As detailed in the draft resolution (**Exhibit A**), the Applicant/Owner has provided evidence of compliance with the applicable requirements. The designated Property Manager for the Commercial Vacation Rental, Sandy Hoag, resides in the attached accessory dwelling unit at 2631-A Walker Avenue, Carmel, 93923. Mrs. Hoag's contact information will be provided to the guests of the property and will be available 24/7 to respond to guest or neighborhood questions or concerns, and has the ability to arrive within thirty minutes. This contact information will be provided to guests as a part of the informational notice posted within six feet of the front door as required pursuant to Title 7 Section 7.120.040.L.

The property has a maximum occupancy of 5 overnight guests and 7 daytime guests. The proposed occupancy does not exceed the limits set forth in the California Uniform Housing Code and the requirements enumerated in Title 7 Section 7.120.070.C, which limit the maximum overnight occupancy to two persons per bedroom plus one and not counting infants (zero to twelve months), with a not to exceed total maximum overnight occupancy of 10 overnight guests, regardless of the number of bedrooms in the property.

To ensure the proposed use will not affect the residential character of the neighborhood, the following two conditions have been incorporated. Condition No. 3 has been incorporated to ensure that the property will not be an event venue, and Condition No. 5 to ensure that the property will remain in compliance with the regulations for Vacation Rentals in Title 7 Chapter 7.120, Title 20 Section 20.64.290, and the Conditions of Approval. Additionally, the proposed Commercial Vacation Rental is subject to Monterey County's Noise Ordinance (Chapter 10.60), which prohibits loud or unreasonable noise between the hours of 9:00PM and 7:00AM. In accordance with Title 20 Section 20.70.060, if the property is found to be in violation of the approved operations plan or conditions of approval attached to this Coastal Development Permit, the permit may be revoked for non-compliance.

CEQA:

The project qualifies as a categorical exemption from environmental review pursuant to CEQA Guidelines section 15301. This exemption applies to the operation of existing private structures, involving negligible or no expansion of an existing use. The Applicant/Owner proposes to use a residential single-family dwelling for transient lodging where the term of occupancy, possession, or tenancy of the property by the person entitled to such occupancy, possession, or tenancy for a period of 30 consecutive calendar days or fewer. This project does not propose or authorize any additional exterior development and/or expansion of the existing structure currently on the project site.

The subject property will be limited to one rental contract at any given time. All facilities, as planned and approved, have been confirmed by County agencies to be adequate for this use. Therefore, the proposed use is consistent with the CEQA Guidelines Section 15301. None of the exceptions under

CEQA Guidelines Section 15300.2 apply to this project. Additionally, there will be no significant effect on the environment due to unusual circumstances. Further, there is no evidence that “the cumulative impact of successive projects of the same type in the same place, over time is significant.”

The County prepared a FEIR for the Vacation Rental Ordinances project, which was certified by the Board on August 27, 2024 (SCH# 2022080643). The FEIR analyzed the project for environmental impacts and did not identify any significant impacts of Commercial Vacation Rentals up to the Commercial Vacation Rental cap set for each County of Monterey Planning Area. This Commercial Vacation Rental does not exceed the cap on Commercial Vacation Rentals in the Carmel Area Land Use Plan. It would be the 17th Commercial Vacation Rental out of a maximum of 118 in the Carmel Area Land Use Plan. The FEIR did address public comments that vacation rentals have the potential for negative side effects including nuisance issues such as traffic, parking and noise. However, no significant environmental effects were identified. County regulations have been developed and are in effect to ensure that vacation rentals remain compatible with existing residential uses. Cumulative impacts of the regulations take together with other past, present, and probable future projects were analyzed and no significant effects were identified. There is no evidence suggesting that approving this project would result in significant environmental impacts.

OTHER AGENCY INVOLVEMENT

None
