[CLAY DOUGLAS A. & HEATHER R. TRS, 2924 Congress Road, Pebble Beach (Assessor's Parcel Number 007-541-008-000), Greater Monterey Peninsula Area Plan]

The CLAY DOUGLAS A. & HEATHER R. TRS application (PLN240358) came on for a public hearing before the County of Monterey Zoning Administrator on June 11, 2026. Having considered all the written and documentary evidence, the administrative record, the staff report, oral testimony, and other evidence presented the Zoning Administrator finds and decides as follows:

FINDINGS

1. **FINDING:** **CONSISTENCY** – The Project, as conditioned, is consistent with the applicable plans and policies which designate this area as appropriate for development.
EVIDENCE:
 - a) During the course of review of this application, the project has been reviewed for consistency with the text, policies, and regulations in:
 - the 2010 Monterey County General Plan (General Plan);
 - Greater Monterey Peninsula Area Plan (GMPAP);
 - Monterey County Code Chapter 7.120 (Title 7);
 - Monterey County Code Chapter 16.80 (Title 16);
 - Monterey County Zoning Ordinance (Title 21).No conflicts were found to exist. No communication was received during the course of review of the project indicating any inconsistencies with the text, policies, and regulations in these documents.
 - b) Project Scope. The project site is located at 2924 Congress Road (Assessor's Parcel Number: 007-541-008-000), a privately maintained road, in Pebble Beach subject to the Greater Monterey Peninsula Area of

the unincorporated area of the County of Monterey. The proposed commercial vacation rental is within the existing 1,821 square foot single-family dwelling with an attached garage, and consists of three bedrooms, two and half bathrooms, a living room, a dining room, a kitchen, and a patio. Within the immediate neighborhood, excluding this application, there is one incomplete application for a Homestay and one applied application for a Commercial Vacation Rental, with an approved discretionary permit. The applicant is proposing that the residence be occupied by a maximum of seven people overnight, 10 people during the daytime hours at the property at a time, and a maximum of three contractors on site at any time consisting of the cleaning crew.

- c) Allowed Use. The property is located at 2924 Congress Road, Greater Monterey Peninsula Area Land Use Plan (Assessor's Parcel Number: 007-541-008-000). The subject parcel is zoned Medium Density Residential with a maximum gross density of 4 units/acre with Building Site District 6, Design Control, and Recreational Equipment Storage in Seaward Zone Overlays, or "MDR/B-6-D-RES". Title 21 Section 21.12.050.Y allows for the Commercial Vacation Rental use subject to the granting of a Use Permit. Title 21 Section 21.64.290.F establishes the regulations for a property operating as a Commercial Vacation Rental on such property for transient lodging for a period of 30 calendar days or fewer. Therefore, the proposed use is allowable.
- d) Lot Legality. The subject property (0.21 acres in size), APN: 007-541-008-000, is identified as Parcel 8 in Block 43 on a Cities & Towns Map of M.P.C.C. Sub. No. 1 in Book 7 Page 54. Therefore, the County recognizes this lot as a legal lot of record.
- e) Land Use Advisory Committee (LUAC). This project was not referred to the Del Monte Forest LUAC for review. Based on the current review guidelines adopted by the Monterey County Board of Supervisors per Resolution No. 15-043, this application did not warrant referral to the LUAC as it does not fall within the LUAC review guidelines.
- f) Vacation Rental Operation License. Condition No. 5 requires that the applicant obtain a Vacation Rental Operation License and provide documentation to prove that they comply with all of the requirements of the Vacation Rental Operation License pursuant to Title 7 Chapter 7.120. The subject property is required as conditioned to ensure that they always have an active Vacation Rental Operation License.
- g) Business License. The applicant must obtain a Business License and provide documentation to prove that they comply with all of the requirements of the Business License pursuant to Title 7 Section 7.02.060. The subject property is required to comply with the regulation as part of the issuance of a Vacation Rental Operation License.
- h) Transient Occupancy Tax. The applicant must register with the County of Monterey Treasurer-Tax Collector to pay Transient Occupancy Tax pursuant to Title 5 Chapter 5.40 and must pay Transient Occupancy Tax on all applicable rent received from transient occupancy of their residential property as a Commercial Vacation Rental. As part of the issuance of a Vacation Rental Operation License (Condition No. 5), the subject property is required as conditioned to ensure payment of

Transient Occupancy Tax to the County of Monterey Treasurer-Tax Collector is made pursuant to Title 5 Chapter 5.40.

- i) Adequate Emergency Response Time. The subject property complies with Title 21 Section 21.64.290.F.5, adequate emergency response times for fire and emergency medical. The property complies with adequate public facilities and services requirements pursuant to the 2010 County of Monterey General Plan Safety Element Policy PS-1.1 and Table PS-1. The subject property is considered within a Community Area, considered full array of public services as defined by the General Plan and therefore is subject to an emergency response time of 5-8 minutes. The Pebble Beach Fire Station 22 is 4 minutes away, which provides fire response services, and the Community Hospital of Monterey Peninsula is 6 minutes away, which provides 24-hour emergency medical services. The subject property complies with the requirement to provide contact information for County emergency services for fire and emergency medical. The designated Property Manager for the Commercial Vacation Rental will be a Josh Ohanian of Sanctuary Vacation Rentals, who will reside at NW Corner of Mission & 8th, Carmel-by-the-Sea, CA 93921, which is a 12 minute drive away. Mr. Ohanian will be available 24/7 to respond to guest or neighborhood questions or concerns, and has the ability to arrive within 30 minutes. The contact information is included as required in the informational signage that must be posted within six feet of the front door and within visible location outside of the structure. The Vacation Rental Operation License requires that guests be provided with this information as a part of the informational notice posted within six feet of the front door.
- j) Parking. Parking requirements outlined in Title 21 Sections 21.64.290.F.6 and 21.58.040 require that a Single-Family Detached residential dwelling unit have 2 spaces/unit. The application includes adequate parking spaces (4 guest parking spaces), which exceeds the minimum requirements as illustrated in the attached plans.
- k) One Commercial Vacation Rental Per Legal Lot of Record. The subject legal lot of record complies with Title 21 Section 21.64.290.F.7 as this is the only Commercial Vacation Rental on the legal lot of record (APN: 007-541-008-000).
- l) Ownership Interest in One Commercial Vacation Rental in the Unincorporated Monterey County. The trustees of the legal lot of record comply with Title 21 Section 21.64.290.F.10 and do not have any ownership interest in any other Commercial Vacation Rentals in the unincorporated Monterey County. This application before the Zoning Administrator would be the first and only ownership interest the applicants would have in a Commercial Vacation Rental in the unincorporated Monterey County.
- m) Permit Expiration. Condition No. 4 applies a 7-year expiration to the granting of this Use Permit, pursuant to Title 21 Sub-Section 21.64.290.F.12.a. The purpose of this expiration is to provide adequate ongoing review of the approved use of the residential property as a Commercial Vacation Rental. Prior to its expiration, the

owner/applicant shall file an extension in accordance with Title 21 Section 21.74.110, which requires submittal of the request at least 30 days prior to the expiration date. The appropriate authority to consider this extension shall be the Zoning Administrator. This subsequent review will ensure: 1) the use continues to meet the standards of Title 20, and 2) an opportunity for Planning staff's review for ongoing compliance with the conditions of approval.

- n) Access. The property is within the Pebble Beach area and is currently managed by the Pebble Beach Company, which is the legally established governing structure for the private roads used to access the subject parcel. Pebble Beach Company is authorized to make determinations regarding the use, maintenance, and related matters regarding the private road. Pursuant to Title 21 section 21.64.290.F.4, the subject property must comply with Title 16 Chapter 16.80, which regulates private roads in Monterey County. The private road accessing the property is subject to a private road agreement and a private road maintenance agreement, which is recorded as a deed restriction for the subject property. The deed restriction for the subject property was recorded as Deed Number 1551 (Reel 727, Page 72 of Official Records).

The deed contains language related to the "Use of Roads and Bridle Paths" and related to "Covenants and Conditions" (CCs). Under the "Use of Roads and Bridle Paths," the deed states that the "*Grantee, subject to the provisions hereof, is hereby granted license for the use, by himself, his family, servants, tenants and guests occupying or visiting said premises, of all roads and bridle paths now or hereafter owned by Grantor in Del Monte Forest, and to free access to Del Monte Forest; in consideration of which the owner of said premises shall be obligated to pay Grantor the sum of One Hundred Dollars (\$100.00) on each January 1st hereafter, the payment of which sum is and shall be secured by a lien and charge on said premises. Grantor, however, reserves the right to change, abandon or close any of said roads and paths, provided that (so far as within the control of Grantor) there shall always be left open a road by means of which and/or of connecting roads access may be had to said premises from the nearest public highway*". The plain language of this deed gives the property owner access to their property as long as they pay \$100 each January 1st. The other language is identified under the CCs as the first deed restriction states that "*No trade, business or profession of any description shall be conducted on said premises. Said premises shall not be used for any purpose whatever except solely and exclusively for the purpose of construction and maintenance of not more than one private single family residence...*". Therefore, the project is classified as a Tier 4 category pursuant to Title 16 Chapter 16.80, which means this deed restriction language constitutes a private road agreement and maintenance.

The Pebble Beach Company received notification of the proposed project on May 26, 2026. The Pebble Beach Company submitted a letter to the County stating that they have a blanket objection to the use of residential property in Pebble Beach as commercial vacation rentals. This letter further stated that Pebble Beach Company believes that "...the plain

meaning of the CC&R language bans short-term vacation rentals in the Del Monte Forest [Pebble Beach Company managed portion of the Greater Monterey Peninsula].”

The applicant is aware of the objections and restrictions outlined within the CC&R’s and believes they have the right to continue the use of the property for the proposed application of a Commercial Vacation Rental. The County of Monterey’s regulations for private roads, pursuant to Title 16 section 16.80.060.A, state that if the Appropriate Authority finds, based on substantial evidence in the record, that a substantive dispute exists regarding the use of a private road for a project, the Appropriate Authority “*may approve the project but shall require as a condition of project approval that the applicant provide the County with proof of access demonstrating that the dispute has been satisfactorily resolved*”. Therefore, staff recommends that Condition of Approval No. 6 to ensure that the substantial dispute regarding the plain language of the private road agreement is resolved prior to the applicant commencing the use of their property as a commercial vacation rental. This Condition requires that the applicant provides the County of Monterey Housing and Community Development (HCD) staff with adequate documentation that the private road dispute has been satisfactorily resolved and the use of the property as a commercial vacation rental is allowed and does not violate the plain language of any deed restrictions and/or private road agreement.

- o) The application, project plans, and related support materials submitted by the project applicant to County of Monterey HCD-Planning found in Project File PLN240358.

2. FINDING: SITE SUITABILITY – The site is physically suitable for the proposed development and/or use.

- EVIDENCE:**
- a) The project has been reviewed for site suitability by the following departments and agencies: HCD-Planning. County staff reviewed the application materials and plans to verify that the project on the subject site conforms to the applicable plans and regulations, and there has been no indication from these departments/agencies that the site is not suitable for the development. Conditions recommended have been incorporated.
 - b) The application, project plans, and related support materials submitted by the project applicant to County of Monterey HCD-Planning found in Project File PLN240358.

3. FINDING: HEALTH AND SAFETY – The establishment, maintenance, or operation of the project applied for will not under the circumstances of this particular case be detrimental to the health, safety, peace, morals, comfort, and general welfare of persons residing or working in the neighborhood of such proposed use or be detrimental or injurious to property and improvements in the neighborhood or to the general welfare of the County.

- EVIDENCE:**
- a) The project was reviewed by HCD-Planning. The respective agency has recommended conditions, where appropriate, to ensure that the project will not have an adverse effect on the health, safety, and welfare of persons either residing or working in the neighborhood.

- b) Necessary infrastructure is in place to serve the use, as discussed in the evidence below.
- c) The property has road access to Congress Road, a private road. No alterations to this driveway or access are required for the use (see evidence “n” in Finding 1).
- d) Potable water will continue be provided to the parcel by California American Water through the Monterey Peninsula Water Management District (MPWMD). Sewer service will continue to be provided by Pebble Beach Community Services District.
- e) Solid waste (garbage) collection service is and will continue to be provided by GreenWaste Recovery, LLC.
- f) The application, project plans, and related support materials submitted by the project applicant to County of Monterey HCD-Planning found in Project File PLN240358.

4. FINDING: **VIOLATIONS** – The subject property is in compliance with all rules and regulations pertaining to zoning uses, subdivision, and any other applicable provisions of the County’s zoning ordinance. No violations exist on the property.

EVIDENCE:

- a) Staff reviewed County of Monterey HCD-Planning and HCD-Building Services records and is aware of one violation existing on subject property. The Commercial Vacation Rental Ordinance for the inland area of the County of Monterey became effective on October 14, 2024. On November 22, 2024, the Applicant applied for a Use Permit for a Commercial Vacation Rental Operation to allow the use of a single-family dwelling for transient lodging for a period of 30 calendar days or fewer. The applicant failed to diligently pursue compliance with Commercial Vacation Rental permitting. Staff notified the Applicant on November 13, 2025 and January 14, 2026 that operations that are not being diligently pursued and are still in operation may be subject to code enforcement fines. On March 23, 2026, an administrative citation from HCD-Code Compliance was issued pursuant to an inspection conducted on March 23, 2026 which identified continued use of the unpermitted short-term rental. On March 31, 2026, the Applicant paid the remaining permit fees to continue the permitting process and to abate Code Enforcement Violation No. 26CE00194, subject to any remaining enforcement fines, to bring the property into compliance with the Monterey County Code. With the approval of this permit, the violations would be fully abated and would bring the subject property into compliance. No additional complaints have been received.
- b) The violations (Code Enforcement Case 26CE00194) will be abated upon granting of this permit and brings the property into compliance, subject to any remaining enforcement fines.
- c) The application, project plans, and related support materials submitted by the project applicant to County of Monterey HCD-Planning found in Project File PLN240358.

5. FINDING: **CEQA (Exempt)** – The project is categorically exempt from environmental review and no unusual circumstances were identified to exist for the proposed project.

- EVIDENCE:**
- a) California Environmental Quality Act (CEQA) Guidelines section 15301, categorically exempts the leasing of existing private structures, involving negligible or no expansion of existing or former use.
 - b) The project proposed to allow the use of an existing residential property for transient lodging for a period of 30 calendar days or fewer. The project would not expand the residence nor would it allow any additional occupancy beyond what is allowed for the existing residence. Therefore, the project fits the criteria of the exemption.
 - c) None of the exceptions under CEQA Guidelines section 15300.2 apply to this project, as discussed in subsequent Evidence “d” through “i”.
 - d) Class 1 exemptions are not qualified for an exception by their location.
 - e) The County’s regulatory process of Use Permits for the use of an existing residential property for transient lodging allows the County to regulate such uses in a way that would prevent adverse cumulative impacts to the surrounding environment. Consistent with the Findings and Purpose in Monterey County Ordinance Number 5439 Section 1.F, the requirement for a Use Permit for Commercial Vacation Rental activities ensures that the impact of such leasing activities can be appropriately evaluated. Further, Title 21 Section 21.64.290 establishes caps on the maximum amount of Use Permits for Commercial Vacation Rentals to ensure that the potential cumulative effects of Commercial Vacation Rentals are minimized. The maximum allowed for the Greater Monterey Peninsula Area Land Use Plan is 155. This application is the 29th approved. The project is consistent with all the criteria in Title 21 Section 21.64.290 and, therefore, would not contribute to a cumulative effect.
 - f) The County prepared a FEIR for the Vacation Rental Ordinances project, which was certified by the Board of Supervisors on August 27, 2024 (SCH# 2022080643). The FEIR analyzed the project for environmental impacts and did not identify any significant impacts of Commercial Vacation Rentals up to the Commercial Vacation Rental cap set for each County of Monterey Planning Area. This Commercial Vacation Rental does not exceed the cap on Commercial Vacation Rentals in the Greater Monterey Peninsula Area Plan. It would be the 29th Commercial Vacation Rental in the Greater Monterey Peninsula Area Plan. The FEIR did address public comments that vacation rentals have the potential for negative side effects including nuisance issues such as traffic, parking and noise. However, no significant environmental effects were identified. County regulations have been developed and are in effect to ensure that vacation rentals remain compatible with existing residential uses. Cumulative impacts of the regulations taken together with other past, present, and probable future projects were analyzed and no significant effects were identified. There is no evidence suggesting that approving this project would result in significant environmental impacts.
 - g) There are no unusual circumstances related to the project that would create the reasonable possibility of a significant effect.

- h) The project does not propose any physical changes that would damage scenic resources: no construction, exterior alterations to structures, land alteration, or vegetation (or tree) removal are proposed.
- i) The project is not located on a hazardous waste site included on any list compiled pursuant to Section 65962.5 of the Government Code.
- j) See supporting Finding Nos. 1 and 2. The application, project plans, and related support materials submitted by the project applicant to County of Monterey HCD-Planning found in Project File PLN240358.

6. FINDING: APPEALABILITY – The decision on this project may be appealed to the Planning Commission.

EVIDENCE: a) Planning Commission. Pursuant to Title 21 section 21.80.040.B, an appeal of the Zoning Administrator’s decision for this project may be made to the Planning Commission by any public agency or person aggrieved by their decision.

DECISION
