A. INDEMNIFICATION

SUHSD shall indemnify, defend, and hold harmless COUNTY, its officers, agents and employees from and against any and all claims, liabilities, and losses whatsoever (including damages to property and injuries to or death of persons, court costs, and reasonable attorneys' fees) occurring or resulting to any and all persons, firms or corporations furnishing or supplying work, services, materials, or supplies in connection with the performance of this Agreement, and from any and all claims, liabilities, and losses occurring or resulting to any person, firm, or corporation for damage, injury or death arising out of or connected with the SUHSD's performance of this Agreement, unless such claims, liabilities, or losses arise out of the sole negligence or willful misconduct of COUNTY. "SAS's performance" includes SAS's action or inaction, and the action or inaction of SAS's officers, employees, agents and subcontractors.

B. INSURANCE PROVISIONS

Insurance Coverage Requirements: Without limiting **SUHSD's** duty to indemnify, SUHSD shall maintain in effect throughout the term of this Agreement a policy or policies of insurance with the following minimum limits of liability:

Commercial **General Liability**, including but not limited to premises, personal injuries, products, and completed operations, with a combined single limit of not less than \$1,000,000.00 (one million dollars) per occurrence; and

Comprehensive **Automobile Liability** covering all motor vehicles, including owned, leased, non-owned and hired vehicles, used in providing services under this Agreement, with a combined single limit of not less than \$1,000,000.00 (one million dollars) per occurrence; and

Worker's Compensation Insurance: If **SUHSD** employs others in the performance of this Agreement, **SUHSD** shall maintain Worker's Compensation Insurance in accordance with California Labor Code Section 3700, and with a minimum of \$1,000,000.00 (one million dollars) per occurrence for employer's liability.

Professional Liability Insurance:

Instructions: Check YES or NO. Professional Liability Insurance is usually required for

contractors rendering professional services such as, but not limited to, medical services, legal services, engineering, accounting, and software design.

☒ **YES**, Professional Liability Insurance is required, pursuant to the following terms:

CONTRACTOR shall maintain in effect throughout the term of this Agreement Professional Liability Insurance in the amount of not less than \$1,000,000 (one million dollars) per claim, and \$2,000,000 (two million dollars) in the aggregate, to cover liability for malpractice or errors or omissions made in the course of rendering professional services. If Professional Liability Insurance is written on a "claims-made" basis rather than an occurrence basis, the CONTRACTOR shall, upon the expiration or earlier termination of this Agreement, obtain extended reporting coverage ("tail coverage") with the same liability limits. Any such tail coverage shall continue for at least three (3) years following the expiration or earlier termination of this Agreement.

☐ **NO**, Professional Liability Insurance is not required.

General Insurance Requirements: All insurance required by this Agreement shall be with a company acceptable to COUNTY and authorized by law to transact insurance business in the State of California. Unless otherwise specified in this Agreement, all such insurance shall be written on an occurrence basis, or, if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three (3) years following the date SUHSD completes its performance of services under this Agreement. Each policy shall provide identical coverage for each subcontractor, if any, performing work under this Agreement, or be accompanied by a certificate of insurance showing each subcontractor has identical insurance coverage.

Comprehensive General Liability and Automobile Liability policies shall provide an endorsement naming the COUNTY of Monterey, its officers, agents, and employees as Additional Insureds, and shall further provide that such insurance is primary insurance to any insurance or self-insurance maintained by the COUNTY, and that the insurance of the Additional Insureds shall not be called upon to contribute to a loss covered by the SUHSD's insurance.

Prior to the execution of this Agreement by COUNTY, the SUHSD shall file Certificates of Insurance with COUNTY's Contract Administrator, showing that the SUHSD has in effect the insurance required by this Agreement. The SUHSD shall file a new or amended certificate of insurance promptly after any change is made in any insurance policy, which would alter the information of the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect.

In the event the SUHSD is lawfully self-insured in any or all of the required insurance areas referenced above, a letter certifying those areas of coverage and in the minimum amounts as set forth in this Agreement, shall be furnished by the SUHSD to COUNTY's Contract Administrator prior to the execution of this Agreement.

Cancellation of Insurance: Each liability policy shall provide that COUNTY will be given notice in writing at least thirty (30) days in advance of any change, cancellation, or non-

renewal thereof. SUHSD shall immediately obtain replacement coverage for any insurance policy that is terminated, cancelled, non-renewed, or whose policy limits have been exhausted, or upon insolvency of the insurer that issued the policy.

C. CONFIDENTIALITY AND RECORDS

Confidentiality: SUHSD and its officers, employees, agents, and subcontractors shall comply with Welfare and Institutions Code Sec. 10850, 45 CFR Sec. 205.50, and all other applicable provisions of law which provide for the confidentiality of records and prohibit their being opened for examination for any purpose not directly connected with the administration of public social services. Whether or not covered by W&I Code Sec. 10850 or by 45 CFR Sec. 205.50, confidential medical or personnel records and the identities of clients and complainants shall not be disclosed unless there is proper consent to such disclosure or a court order requiring disclosure. Confidential information gained by SUHSD from access to any such records, and from contact with its clients and complainants, shall be used by SUHSD only in connection with its conduct of the program under this contract. COUNTY, through the Director of the Department of Social Services, shall have access to such confidential information and records to the extent allowed by law, and such information and records in the hands of COUNTY shall remain confidential and may be disclosed only as permitted by law.

Maintenance and Availability of Records: SUHSD shall prepare and maintain all reports and records that may be required by federal, state or COUNTY rules and regulations, and shall furnish such reports and records to COUNTY, and to the state and federal governments, upon request.

Retention of Records: SUHSD shall maintain and preserve all records related to this MOU (and shall assure the maintenance of such records in the possession of any third-party performing work related to this MOU) for a period of five (5) years from the date of final payment under this contract. Such records shall be retained beyond the five-year period until any pending litigation, claim, negotiation, audit exception, or other action involving this contract is resolved.

D. TERM

This agreement shall commence effective July 1, 2025, and remain in full force and effect through June 30, 2028, unless sooner terminated as provided herein.
