- Questions received from proposers since issuance of Addendum No. 2 followed by Monterey County answers follow:

Question 1 Will the City please consider electronic submittals in lieu of printed submittals?

Answer No. Proposals must be physically delivered to PWFP offices at 1441 Schilling Place, South – 2nd floor Salinas, CA 93901-4527 prior to the date and time stated in the RFP or amended in subsequent Addenda.

Question 2 Will the City please clarify the evaluation criteria in relation to the submission requirements? For example, Section 8.5 refers to traffic engineering services: however, no part of the scope of work details traffic engineering services.

Answer Under Section 8.5 Qualifications & Experience: the 15th word “traffic” is replaced with the word “Civil” in this Addendum No. 3

Question 3 Another example: Section 8.6.3 evaluates, “Team successfully addresses Site Planning and Programming efforts:” however; there is no technical approach section in the required contents, Section 6.

Answer The technical approach to the project should be addressed in “Section 6.9 Project Management Approach”.

Question 4 Third example: Section 8.9 details a conflict of interest disclosure, yet there is no section in Section 6 contents that affords space for such narrative.

Answer Section 6.5.8 Conflict of Interest is added by Addendum No. 3 to address this issue.

Question 5 Fourth example: Section 8.7 evaluates a Scope of Services section; however in Section 6, there is no listed section to provide a Scope of Services.
