- The Encampment Resolution Funding (ERF) program funds actionable, person-centered local proposals that resolve the experience of unsheltered homelessness for people residing in encampments. Resolving these experiences of homelessness will necessarily address the safety and wellness of people within encampments, resolve critical encampment concerns, and transition individuals into interim shelter with clear pathways to permanent housing or directly into permanent housing, using data-informed, non-punitive, low-barrier, person-centered, Housing First, and coordinated approaches.
- The County of Monterey has been awarded nearly \$20 million between 2023 and 2024 to humanely address encampments along the Salinas and Pajaro Rivers.
- It is anticipated that a fifth round of ERF funding will be made available no later than the end of this calendar year.

Priority population: Unsheltered individuals living along the Davis Street corridor (Davis Street, Post Drive, W. Market, and Boronda)
