Land Use Advisory Committee
Statement of Interest Information Sheet

Name: Tara Evans

Land Use Advisory Committee area: District 5, Big Sur Land Use Advisory Committee

Number of years residing in that land use area: 60

Occupation: Semi-retired childcare provider and part-time waitress

Past experiences pertaining to architecture, building, community issues, construction, environmental concerns, forestry, landscaping, land use issues or other matters are listed below:

1. I am an avid gardener and assist areas to eradicate invasive species of plants.
2. I am a life long environmental.
3. I have attended many community meetings over the years (BSMAC, LUAC, Health Center...).

Reason that I wish to participate as a member of my land use advisory committee:

1. I live in and love Big Sur, my parents came here in 1949 and I wish to see Big Sur maintain that which attracts residents and visitors alike – the untarnished wildness, beauty, and peacefulness.
2. I strongly wish to see that Big Sur does not get overdeveloped for the very reason above.
