000)]

The BOUDREAULT DANIEL application (PLN240331) came on for a public hearing before the County of Monterey Zoning Administrator on March 13, 2025. Having considered all the written and documentary evidence, the administrative record, the staff report, oral testimony, and other evidence presented the Zoning Administrator finds and decides as follows:

FINDINGS

1. **FINDING:** **CONSISTENCY** – The Project, as conditioned, is consistent with the applicable plans and policies which designate this area as appropriate for development.
EVIDENCE:
 - a) During the course of review of this application, the project has been reviewed for consistency with the text, policies, and regulations in:
 - the 2010 County of Monterey General Plan;
 - Cachagua Area Plan;
 - Monterey County Code Chapter 7.120; and
 - Monterey County Zoning Ordinance (Title 21).No conflicts were found to exist. No communications were received during the course of review of the project indicating any inconsistencies with the text, policies, and regulations in these documents.
 - b) Allowed Use. The property is located at 17717 Cachagua Road Carmel Valley, within the Cachagua Area Plan (APN: 417-101-002-000). The parcel is zoned Resource Conservation, 20 acres per unit with an “RC/20”. The RC zoning allows the use of Residential Property as a Commercial Vacation Rental, subject to the granting of a Use Permit

pursuant to Title 21 section 21.36.050.JJ. Therefore, the proposed use is allowable.

- c) Lot Legality. The subject property is identified in its current configuration (10.199 acres in size) on a record of a survey recorded in Volume X-4S Page 53 which was recorded on September 21, 1966. The record of survey was for four parcels or less, each of which is greater than two and one-half acres. The parcel complied with the regulations for Rural or “N” Zoning Districts, pursuant to County of Monterey Zoning Ordinance Number 911, which was in effect at the time of its creation. Therefore, the County recognizes the property as a legal lot of record.
- d) Land Use Advisory Committee (LUAC) Review. This project was not referred to the Cachagua Land Use Advisory Committee for review. Based on the current review guidelines adopted by the Monterey County Board of Supervisors per Resolution No. 15-043, this application did not warrant referral to the LUAC as it does not fall within the LUAC review guidelines.
- e) Vacation Rental Operation License. Condition No. 7 requires that the applicant obtain a Vacation Rental Operation License and provide documentation to prove that they comply with all of the requirements of the Vacation Rental Operation License pursuant to Title 7 Chapter 7.120. The subject property is required as conditioned to ensure that they always have an active Vacation Rental Operation License.
- f) Business License. Condition No. 6 requires that the applicant obtain a Business License and provide documentation to prove that they comply with all of the requirements of the Business License pursuant to Title 7 section 7.02.060. The subject property is required as conditioned to ensure that they always have an active Business License.
- g) Transient Occupancy Tax. Condition No. 8 requires that the applicant register with the County of Monterey Treasurer-Tax Collector to pay Transient Occupancy Tax pursuant to Title 5 Chapter 5.40 and must pay Transient Occupancy Tax on all applicable rent received from transient occupancy of their residential property as a Commercial Vacation Rental. The subject property is required as conditioned to ensure payment of Transient Occupancy Tax to the County of Monterey Treasurer-Tax Collector is made pursuant to Title 5 Chapter 5.40.
- h) Adequate Emergency Response Time. Condition No. 5 requires that the applicants notify the guests of the average response time for emergency fire and medical services and the address and phone number of those services. The subject property complies with Title 21 section 21.64.290.F.5, adequate emergency response times for fire and emergency medical. The submitted Operations Plan includes contact information for County emergency services for fire and emergency medical. Response times are approximately 45 minutes from the Community Hospital of Monterey Peninsula, which provides 24-hour emergency medical services, and within 45 minutes of structural coverage from the Cachagua Fire Protection District, within its response area. The subject property complies with the requirement to provide contact information for County emergency services for fire and emergency medical. The contact information is included as required in

the informational signage that must be posted within six feet of the front door.

- i) Parking. Title 21 section 21.64.290.F.6 requires that Commercial Vacation Rentals provide parking in compliance with Title 21 section 21.58.040. Title 21 section 21.58.040 establishes the minimum required parking spaces. A single-family dwelling requires two parking spaces. As proposed, the property can accommodate up to 10 total cars for occupants and employees, which exceeds the requirements of Title 21 section 21.58.040.
- j) One Commercial Vacation Rental Per Legal Lot of Record. The subject legal lot of record complies with Title 21 section 21.64.290.F.7 as this is the only Commercial Vacation Rental on the legal lot of record.
- k) Ownership Interest in One Commercial Vacation Rental in the Unincorporated Monterey County. The owners of the legal lot of record comply with Title 21 section 21.64.290.F.8 and do not have any ownership interest in any other Commercial Vacation Rentals in the unincorporated Monterey County. This application before the Zoning Administrator would be the first and only ownership interest the applicants would have in a Commercial Vacation Rental in the unincorporated Monterey County.
- l) Permit Expiration. Condition No. 4 applies a 7-year expiration to the granting of this Use Permit, pursuant to Title 21 section 21.64.290.F.12.a. The purpose of this expiration is to provide adequate on-going review of the approved use of the residential property as a Commercial Vacation Rental. Prior to its expiration, the owner/applicant shall file an extension in accordance with Title 21 section 21.74.110, which requires submittal of the request at least 30 days prior to the expiration date. The appropriate authority to consider this extension shall be the Zoning Administrator. This subsequent review will ensure: 1) the use continues to meet the standards of Title 21 and 2) an opportunity for Planning staff's review for on-going compliance the conditions of approval.
- m) Access. The property has access through Cachagua Road, a County owned and maintained public road.
- n) The application, project plans, and related support materials submitted by the project applicant to Monterey County HCD-Planning found in Project File PLN240331.

2. FINDING: **SITE SUITABILITY** – The site is physically suitable for the proposed development and/or use.

- EVIDENCE:**
- a) The project has been reviewed for site suitability by the following departments and agencies: HCD-Planning and Environmental Health Bureau. County staff reviewed the application materials and plans to verify that the project on the subject site conforms to the applicable plans and regulations, and there has been no indication from these departments/agencies that the site is not suitable for the development. Conditions recommended have been incorporated.
 - b) The project planner reviewed aerial and street view imagery (Monterey County GIS and Google Maps) to verify that the site is suitable for this

use and the project on the subject parcel conforms to the plan, policies, and regulations listed above.

- c) The application, project plans, and related support materials submitted by the project applicant to Monterey County HCD-Planning found in Project File PLN240331.

3. FINDING: HEALTH AND SAFETY – The establishment, maintenance, or operation of the project applied for will not, under the circumstances of this particular case, be detrimental to the health, safety, peace, morals, comfort, and general welfare of persons residing or working in the neighborhood of such proposed use, or be detrimental or injurious to property and improvements in the neighborhood or to the general welfare of the County.

- EVIDENCE:**
- a) The project was reviewed by HCD-Planning and Environmental Health Bureau. The respective agencies have recommended conditions, where appropriate, to ensure that the project will not have an adverse effect on the health, safety, and welfare of persons either residing or working in the neighborhood.
 - b) Necessary infrastructure is in place to serve the use, as discussed in subsequent Evidence “c” through “f”.
 - c) The property has road access to Cachagua Road a County of Monterey maintained road. No alterations to this driveway or access are required for the use.
 - d) The residence is connected to an existing Onsite Wastewater Treatment System (OWTS). A performance evaluation on the OWTS was provided to Environmental Health Bureau (EHB), dated October 28, 2024 and was subsequently deemed complete on January 29, 2025. Based on the evidence provided, EHB found that the OWTS was in good working order and functioning properly and that the performance evaluation was completed in the form and manner as required by the County, satisfying the requirements of Title 21 section 21.64.290.F.8-9.
 - e) The residence is served by a private well. A water quality analysis was collected on October 16, 2024, and was subsequently deemed complete on January 29, 2025. Based on the evidence provided, EHB found that the water quality analysis satisfied the bacteriological and acute inorganic primary drinking water standards, satisfying the requirements of obtaining a Vacation Rental Operation License, pursuant to Title 7 section 7.120.090.B.5.
 - f) Solid waste (garbage) collection service is and will continue to be provided by Waste Management.
 - g) The application, project plans, and related support materials submitted by the project applicant to Monterey County HCD-Planning found in Project File PLN240331.

4. FINDING: NO VIOLATIONS – The subject property is in compliance with all rules and regulations pertaining to zoning uses, subdivision, and any other applicable provisions of the County’s zoning ordinance. No unrelated violations exist on the property.

- EVIDENCE:**
- a) Staff reviewed Monterey County HCD-Planning and HCD-Building Services records and is not aware of any current violations existing on

subject property, except for a pending case related to the operation of an unpermitted vacation rental.

- b) There was a previous Code Enforcement Case, 22CE00128, indicating the use had commenced prior to securing a permit. This case will be closed if the applicant secures a Use Permit for their Commercial Vacation Rental, and pursuant to Title 21 section 21.64.290.G.2, operators are “*allowed to continue to operate as a Vacation Rental for up to six months from October 14, 2024, or until the County takes action on the Operator’s application for all required permits, license, and entitlements*”. Therefore, Case 22CE00128 will be closed upon issuance of the Use Permit for their Commercial Vacation Rental and is allowed to continue to operate until a decision is rendered on their application.
- c) The application, project plans, and related support materials submitted by the project applicant to Monterey County HCD-Planning found in Project File PLN240331.

- 5. FINDING: CEQA (Exempt) –** The project qualifies for a Class 1 categorical exemption pursuant to CEQA Guidelines section 15301 and no unusual circumstances were identified to exist for the proposed project.
- EVIDENCE:**
- a) California Environmental Quality Act (CEQA) Guidelines section 15301, categorically exempts the leasing of existing private structures, involving negligible or no expansion of existing or former use.
 - b) The project proposed to allow the use of an existing residential property for transient lodging for a period of 30 calendar days or fewer. The project would not expand the residence nor would it allow any additional occupancy beyond what is allowed for the existing residence. Therefore, the project fits the criteria of the exemption.
 - c) None of the exceptions under CEQA Guidelines section 15300.2 apply to this project, as discussed in subsequent Evidence “d” through “i”.
 - d) Class 1 exemptions are not qualified for an exception by their location.
 - e) The County’s regulatory process of Use Permits for the use of an existing residential property for transient lodging allows the County to regulate such uses in a way that would prevent adverse cumulative impacts to the surrounding environment. Consistent with the Findings and Purpose in Monterey County Ordinance Number 5422 section 1.F, the requirement for a Use Permit for Commercial Vacation Rental activities ensures that the impact of such leasing activities can be appropriately evaluated. The project is consistent with all the criteria in Title 21 section 21.64.290 and, therefore, would not contribute to a cumulative effect. Further, Title 21 section 21.64.290 establishes caps on the maximum amount of Use Permits for Commercial Vacation Rentals to ensure that the potential cumulative effects of Commercial Vacation Rentals are minimized.
 - f) There are no unusual circumstances related to the project that would create the reasonable possibility of a significant effect.
 - g) The project would not result in damage to scenic resources within view of State Scenic Highway. The project is not in close proximity to a State Scenic Highway, nor is the project within a designated Visual Sensitivity corridor. The project also does not propose any physical

changes that would damage scenic resources: no construction, exterior alterations to structures, land alteration, or vegetation (or tree) removal are proposed.

- h) The project is not located on a hazardous waste site included on any list compiled pursuant to Section 65962.5 of the Government code.
- i) The project would not damage any historical resources.
- j) The application, project plans, and related support materials submitted by the project applicant to Monterey County HCD-Planning found in Project File PLN240331.

6. FINDING: **APPEALABILITY** – The decision on this project may be appealed to the Planning Commission.

EVIDENCE: Planning Commission. Pursuant to Title 21 section 21.80.040.B, an appeal of the Zoning Administrator’s decision for this project may be made to the Planning Commission by any public agency or person aggrieved by their decision.
