7.03 The County's payments to CONTRACTOR under this Agreement are funded by local, state and federal governments. 8.0 INDEMNIFICATION:

CONTRACTOR shall indemnify, defend, and hold harmless the County, its officers, agents, and employees, from and against third party claims, liabilities, and losses (including damages to property and injuries to or death of persons, court costs, and reasonable attorneys' fees) occurring or resulting to any and all persons, firms or corporations furnishing or supplying work, services, materials, or supplies in connection with the performance of this Agreement, and from any and all claims, liabilities, and losses occurring or resulting to any person, firm, or corporation for damage, injury, or death but only to the extent arising out of CONTRACTOR's or their officers, employees, agents and subcontractors negligent act or omission in performance of this Agreement, unless such claims, liabilities, or losses arise out of the sole negligence or willful misconduct of the County.

Any such tail

coverage shall continue for at least three years following the expiration or earlier termination of this Agreement.

(Note: any proposed modifications to these insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

9.04 **Other Requirements:**

All insurance required by this Agreement shall be with a company acceptable to the County and issued and executed by an admitted insurer authorized to transact Insurance business in the State of California. Unless otherwise specified by this Agreement, all such insurance shall be written on an occurrence basis, or, if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three years following the date CONTRACTOR completes its performance of services under this Agreement.

Each liability policy shall provide that the County shall be given notice in writing at least thirty days in advance of any endorsed reduction in coverage or limit, cancellation, or intended non-renewal thereof. Each policy shall provide coverage for Contractor and additional insureds with respect to claims arising from each subcontractor, if any, performing work under this Agreement, or be accompanied by a certificate of insurance from each subcontractor showing each subcontractor has identical insurance coverage to the above requirements.

Commercial general liability and automobile liability policies shall provide an endorsement naming the County of Monterey, its officers, agents, and employees as Additional Insureds with respect to liability arising out of the CONTRACTOR'S work, including ongoing and completed operations, and shall further provide that such insurance is primary insurance to any insurance or self-insurance maintained by the County and that the insurance of the Additional Insureds shall not be called upon to contribute to a loss covered by the CONTRACTOR'S insurance. The CONTRACTOR shall file a new or amended certificate of insurance within five calendar days after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect. CONTRACTOR shall always during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by County, annual certificates to County's Contract Administrator and County's Contracts/Purchasing Division. If the certificate is not received by the expiration date, County shall notify CONTRACTOR and CONTRACTOR shall have five calendar days to send in the certificate, evidencing no lapse in coverage during the interim. Failure by CONTRACTOR to maintain such insurance is a default of

this Agreement, which entitles County, at its sole discretion, to terminate this Agreement immediately.

10.0 RECORDS AND CONFIDENTIALITY:

10.1 **Confidentiality:** CONTRACTOR and its officers, employees, agents, and subcontractors shall comply with any and all federal, state, and local laws, which provide for the confidentiality of records and other information. Addendum A - Equipment Rentals

This Addendum modifies the terms of the Agreement to which it is attached and is incorporated into such Agreement.

If there is a conflict between language in the Agreement and this Addendum, this Addendum controls.

Notwithstanding anything to the contrary, the definition in the Agreement of the term "Work" is defined in the Sunbelt Rentals Inc. ("CONTRACTOR") Quote as Equipment Rental and Labor (Services) and therefore County has care, custody, and control of the Work at all times CONTRACTOR does not; therefore, CONTRACTOR is not responsible for any third party claims including any and all Claims to the proportionate extent arising from County's or any of its contractors, suppliers, officers, agents, or employees negligent acts or omissions in the performance of this Agreement. There shall be no right or authority for any claims to be arbitrated or tried on a class action basis.

PERMITTED & PROHIBITED USE: County agrees that CONTRACTOR has no control over the manner in which the Equipment is operated during the Rental Period by County or any third party that County implicitly or explicitly permits. County warrants that: (a) prior to each use, County has or will inspect the Equipment to confirm that it is in good condition, without defects, includes readable decals and operating and safety instructions and is suitable for County's intended use; (b) any apparent agent at the Site Address is authorized to accept delivery of the Equipment (and if County requests the applicable waiver, County authorizes CONTRACTOR to leave the Equipment at the Site Address without requirement of written receipt); (c) County shall immediately notify CONTRACTOR if the Equipment is lost, damaged, stolen, unsafe, disabled, malfunctioning, levied upon, threatened with seizure, or if any Incident occurs; (d) County has received from CONTRACTOR all information needed or requested regarding the operation of the Equipment; (e) CONTRACTOR is not responsible for providing operator or other training unless County specifically requests in writing and CONTRACTOR agrees to provide such training which may be at an additional fee (County being responsible to obtain all training that County desires prior to the Equipment's use); (f) only authorized individuals shall use and operate the Equipment ("authorized individuals" being those who are properly trained to use the Equipment and who are not under the influence of drugs or alcohol or otherwise impaired); (g) the Equipment's use shall be in a careful manner, in compliance with all operational and safety instructions provided on, in or with the Equipment and all Federal, State and local laws, permits and licenses, including but not limited to, OSHA, as revised; and (h) the Equipment shall be kept in a secure location. County shall not (a) alter or cover up any decals or insignia on the Equipment or remove any operational or safety instructions; (b) assign its rights under this Agreement; (c) move the Equipment from the Site Address without CONTRACTOR's written consent; or (d) use the Equipment in a negligent, illegal, unauthorized or abusive manner, or in any publication (print, audiovisual or electronic) nor allow the use of the Equipment by any unauthorized individual (County acknowledging that the Equipment may be dangerous if used improperly or by untrained parties).

MAINTENANCE: Maintenance of fuel and oil levels, and routine visual inspections of grease, filters, cooling system, water, batteries, cutting edges, and cleaning in accordance with the manufacturer's specifications. County shall submit a request for a service call a) if upon visual inspection a need for service is required, or b) any other maintenance or repairs are required. Such service may only be performed by CONTRACTOR. CONTRACTOR has no responsibility during the Rental Period to inspect or perform any maintenance or repairs unless County requests a service call. If CONTRACTOR determines that repairs to the Equipment are required, other than resulting from Ordinary Wear and Tear, County shall pay the full cost of repairs and rental of the Equipment until the repairs are completed.

FEES: For Equipment that uses fuel, County has two options: (a) Pay on Return Option - if County returns Equipment with less fuel than when received, County shall pay a refueling charge (calculated by multiplying gallons required to refill tank with fuel to level when received, by the Pay on Return per gallon rate); and (b) Return Full Option - if County returns the Equipment with at least as much fuel as when it was received (most Contractor Equipment comes with a full tank of fuel, but not all), no fuel charge will be assessed. The cost of County refueling Equipment itself will generally be lower than the Prepay ("No Sweat") Fuel Option or the Pay on Return Option; however, these options each allow for the convenience of not refueling.

The rental rates for the Equipment's are for "one shift," being not more than 8 hours per day and 40 hours per week unless otherwise noted. Weekly and 4 week rental rates shall not be prorated. Shift Rates apply to all generators and certain other equipment with hour meters. During a Declared State of Emergency, or a pending or existing disaster or catastrophe, natural (i.e. hurricane, tornado, flood, etc.) all diesel generators and pumps rented will be billed based on a one week minimum Rental Period at triple shift rates. This one week minimum rental at triple shift rates will not affect Equipment then on rent to County.

To promote a clean and sustainable environment, CONTRACTOR takes various measures to comply with federal and state environmental regulations, as well as with CONTRACTOR's own policies. CONTRACTOR also incurs a wide range of environmental related expenses (both direct and indirect). These expenses may include waste disposal, construction maintenance of cleaning facilities, acquisition of more fuel-efficient equipment, labor costs, administration costs, etc. To help defray these and other costs, CONTRACTOR charges an environmental fee in connection with certain rentals. The fee is not a tax or governmentally mandated charge. It is not designated for any particular use or placed in an escrow account. Rather, it is a fee that CONTRACTOR collects as revenue and uses at its discretion.

RENTAL PROTECTION PLAN ("RPP"). Upon execution of Contractor's Rental Out ticket, County may choose to either reject or participate in Contractor's RPP program as detailed <https://www.CONTRACTORrentals.com/Countyservice/rpp/>.

RETURN OF EQUIPMENT: County must contact CONTRACTOR to request pickup of Equipment, retain the Pick Up Number given by CONTRACTOR and will be responsible for Equipment until actually retrieved by CONTRACTOR.

WARRANTY: Notwithstanding anything contained in the Agreement to the contrary, CONTRACTOR provides rental equipment that is neither sold nor integrated into the Work, therefore there is no warranty, expressed or implied, as to the rental equipment or to its capabilities, and no warranty of merchantability, other than those detailed in the manufacturer's specifications.

AVAILABILITY: Sunbelt is not able to guarantee availability of any specific equipment during any specified event, until an event specific SOW has been signed by both parties.
