ADDITIONAL LUAC COMMENTS

Advisory Committee:

The overview of the project by the architect was informed, complete and went very well with the LUAC. There were no questions or issues raised. No one opposed the project nor was any neighbor present at the LUAC meeting. The design looks good and it will be an overall improvement to the neighborhood. There is adequate parking for 2 vehicles, which is important as it is a tight street. Finally, there are no variances.

RECOMMENDATION:

Motion by:	Chip Moreland	(LUAC Member's Name)		
Second by:	Clyde Freedman	(LUAC Member's Name)
