Dear Supervisor Daniels,  
I have currently been serving on the CHFD board as our President. My term is ending and I would like to ask to be reappointed to the Board.

I have served on this board for many years and feel I have developed a comprehensive knowledge of our districts needs and budgetary concerns. As a board we have instituted many new programs and continued ones that have shown great success throughout the district.

Some examples are our ocean rescue program shared with or cooperative fire districts Pebble Beach and Cypress. Our on going chipping program that has over the years removed huge amounts of hazardous materials throughout Carmel Highlands. Currently we are increasing our fuel reduction budget and staffing to expand fire breaks to protect ours and the surrounding districts and communities.

I hope to continue working with CAL Fire and our partner districts on these and other important aspects of the Carmel Highlands Fire District.

Thank you for considering me for reappointment to the CHFD Board.

**My very best wishes to you Kate and all of your staff,**

**Marc Davidian**
