

## **Boards, Committees, and Commissions**

The quality of life in the County of Monterey is strengthened every day by residents who step up, lend their voices, and volunteer their time to help shape the future of our communities. Local Boards, Commissions, and Committees are where ideas become action and where community members like you help guide the policies that impact both today and generations to come.

If you're looking for a meaningful way to get involved, this is your invitation to be part of local government in a hands-on way. Explore volunteer opportunities on a Board, Commission, or Committee (BCC) and add your voice to the decisions that help move Monterey County forward.
