c. Direct the Clerk of the Board of Supervisors to publish the Notice of Public Hearing for the Public Hearing to take place on December 9, 2025, at 10:30 A.M., to consider one (1) Application to Establish an Agricultural Preserve and 15 Applications to Create Farmland Security Zones and enter into corresponding Williamson Act AGP-LCC and FSZ Contracts as set forth in the Applications listed above.

**RECOMMENDATION:**

It is recommended that the Board of Supervisors:

Set a public hearing for December 9, 2025, at 10:30 A.M. to consider the 2026 Williamson Act Applications, to establish one (1) Agricultural Preserve ("AGP") and Land Conservation Contract ("LCC") and to create 15 Farmland Security Zones ("FSZ") and FSZ Contracts.

SUMMARY:

Each calendar year, the Board of Supervisors must consider Applications to Establish AGPs and LCCs and Applications to Create FSZs and corresponding FSZ Contracts pursuant to the Land Conservation Act of 1965 (Williamson Act). This year, 16 Williamson Act Applications, including one (1) Application to Establish an AGP and enter into an LCC, and 15 Applications for the Creation of FSZs and enter into corresponding FSZ Contracts will be considered. The 16 applications being considered this year include 2 applications from the 2025 round of applications which were continued without prejudice to the 2026 round of applications to preserve the application fees while the owner-applicants resolved issues related to application eligibility criteria.

DISCUSSION:

Williamson Act AGP-LCC and FSZ Contracts consist of agreements between landowners and the County whereby the landowners may receive a reduced property tax assessment by agreeing that their property is to be utilized solely for commercial agricultural production of food or fiber and compatible uses as set forth in the Board of Supervisors approved list of compatible uses as applicable to AGPs and FSZs, respectively. Williamson Act Contracts are established with an initial 20-year term which renews annually on January 1 of each succeeding year to add one (1) additional year to the term unless notice of nonrenewal is provided by the landowner or County.

The Agricultural Preservation Review Committee (APRC) which consists of staff from the Department of Housing and Community Development (HCD-Planning), Agricultural Commissioner's Office, Assessor-Recorder's Office, and the Office of the County Counsel reviewed the 2026 Williamson Act Applications on October 15, 2025. The Monterey County Agricultural Advisory Committee (AAC) considered the 2026 Williamson Act Applications on October 16, 2025. Because this item must be set for a noticed public hearing, the December 9, 2025, staff report will provide the Board of Supervisors with recommendations from the APRC and the AAC regarding each of the applications. Board action is required to establish, by contract, AGP and FSZ status for those selected applications, to commence in the year 2026, if the subject property meets the criteria pursuant to Board Resolution No. 01-485, as amended by Board Resolution No. 03-383 (Procedures for Agricultural Preserves) (**Attachment B**) and Board Resolution No. 01-486 (Procedure for the Creation of Farmland Security Zones and Contracts) (**Attachment C**).

Approximately 804,139 acres of land within the unincorporated area of the County of Monterey are presently under Williamson Act Contract. The 16 applications under consideration total 31 parcels and approximately 4,652 acres. Agricultural Preserves are generally comprised of "non-prime" (typically grazing) lands, whereas Farmland Security Zone acreage must be comprised of at least fifty-one percent (51%) "predominantly prime" farmland (typically row crop).

Attached to this report is the 2026 Application Matrix (**Attachment D**) listing the name, acreage and parcel number(s) and General Plan/Area Plan location, for applications submitted, and a large-scale map (**Attachment E**) showing the general locations of the proposed applications.

OTHER AGENCY INVOLVEMENT:

The APRC, consisting of staff from HCD-Planning, Agricultural Commissioner's Office, Assessor-Recorder's Office, and the Office of the County Counsel reviewed the 2026 Williamson Act Applications on October 15, 2025. The Monterey County Agricultural Advisory Committee (AAC)

considered the 2026 Williamson Act Applications on October 16, 2025. The APRC and AAC's recommendations will be provided in the Board Report for the Public Hearing on December 9, 2025.

FINANCING:

In the event that the Board of Supervisors decides to approve the applications and enter into these Contracts at the December 9, 2025, hearing, the assessed valuation of properties placed under said Contracts shall be reduced to their respective restricted values, resulting in a property tax reduction. An estimate of the net tax reduction will be provided in the Board Report for the Public Hearing on December 9, 2025.
