

AGREEMENT

Division 00500

THIS AGREEMENT is made by and between COUNTY OF MONTEREY, a political subdivision of the State of California, hereinafter called "COUNTY," and Papich Construction Company, Inc., hereinafter called "CONTRACTOR." For reference purposes, the date of this Agreement is the last date opposite the respective signatures below.

COUNTY and CONTRACTOR hereby agree as follows:

ARTICLE 1. SCOPE OF WORK

This Job Order Contract (JOC) is an indefinite quantity contract pursuant to which CONTRACTOR will perform a variety of Job Orders, consisting of specific construction tasks. The scope of this JOC is for general construction, repair, remodel and other repetitive related Work. COUNTY has published a Construction Task Catalog® (CTC) containing a series of construction tasks with preset Unit Prices. The CTC was developed using experienced labor and high quality materials. All Unit Prices are based on local labor, material and equipment prices including the current prevailing wages. CONTRACTOR will bid Adjustment Factors to be applied to the Unit Prices. The price of an individual Job Order will be determined by multiplying the preset Unit Prices and the appropriate quantities by the appropriate Adjustment Factor.

The scope of work for this Contract will be determined by the Detailed Scopes of Work issued in connection with individual Job Orders. The Scope of Work (SOW), for each Job Order will be explained to CONTRACTOR at a Joint Scope Meeting. COUNTY will provide a Request for Job Order Proposal and Detailed SOW to CONTRACTOR. CONTRACTOR will be required to review the Detailed SOW and develop a Price Proposal using appropriate tasks, quantities and the applicable Adjustment Factor. COUNTY will review CONTRACTOR's Proposal in detail and if found to be reasonable and acceptable, a Job Order may be issued. The agreed upon price will be fixed price for the performance of the Detailed SOW.

CONTRACTOR shall, within the time stipulated, perform the Contract below as herein defined and shall furnish all Work, labor, equipment, transportation, material, and services to construct and complete in a good, expeditious, workmanlike, and substantial manner, the project:

PROJECT NO. JOC, BID NO. ROADS & BRIDGES 2024-02

ARTICLE 2. TIME FOR START AND COMPLETION

Contract Time commences upon the written execution of the Contract by COUNTY and shall end either one year from the date signed by COUNTY or upon the payment by COUNTY to CONTRACTOR of the maximum amount payable under this Agreement, whichever occurs earlier. If CONTRACTOR has an active JOC Roads & Bridges Agreement upon written execution of this Contract, Agreement will commence when the active JOC Roads & Bridges Agreement meets maximum amount payable or after the one year expiration date, whichever comes first.

COUNTY will not issue any new Job Orders after the expiration of this Agreement. Any Job

Order authorized prior to the expiration of the Agreement must be completed within the time specified in the Job Order. In the event the scheduled completion for any Job Order extends beyond the term of this Agreement, CONTRACTOR and COUNTY agree that the terms of this Agreement shall continue in effect and be applicable for such Job Orders. A separate Job Order Notice to Proceed (NTP) will be issued for each Job Order. Each Job Order will specify a time limit for completion as stated on the Job Order NTP.

ARTICLE 3. ADJUSTMENT FACTORS

CONTRACTOR shall perform all Work required, necessary, proper for, or incidental to completing the Detailed SOW called for in each individual Job Order issued pursuant to this Contract for the Unit Prices set forth in the CTC. COUNTY shall pay CONTRACTOR the Job Order Price for completion of Work in accordance with Contract Documents and the Detailed SOW described in each Job Order multiplied by the following Adjustment Factors:
