

Discussion on the Monterey County Workforce Development Board (MCWDB) 2026-2028 Strategic Plan

The Executive Committee Chair will discuss updates to the MCWDB's Strategic Plan.

Per the Board's request, the 2026-2028 Strategic Plan document that was presented at the Board meeting of April 23, 2026, has been revised based on the observation that, while "apprenticeship" was mentioned several times in the text and table, it was not clear that what is being discussed in the Strategic Plan and supported by the MCWDB is Department of Labor-approved, certified apprenticeship. This clarification has been provided in the document.
